

AP World & AP European History Summer Work 2022

Welcome to the exciting and challenging world of AP World History or AP European History! The purpose of this assignment is to prepare you for the types of assignments you can expect as an AP history student, as well as to provide a baseline of Geography skills and content for the first weeks of class. It is not meant to be a summative project, but a jumping off point for our class in August.

AP World

AP is a College Board designation, and the College Board determines the scope and difficulty of the course. **You are encouraged to familiarize yourself with the Course Page for AP World History on the College Board website** at <https://apcentral.collegeboard.org/courses/ap-world-history/course>.

Assignment for Both AP World and AP European History

Directions: Using BLANK world maps of your choosing, which are [available on the Internet](#), label and outline or color the features included in each map's list. Print neatly to ensure that your maps can be read easily. Later, use your maps to aid you in memorizing the listed features. (If you are concerned about legibility and would like to split up the features into more than two maps, that is permitted.)
