	PUBLIC PERFORMANCE BY STUDENTS	JJC

HOLLISTON

The Holliston School Committee encourages established school programs to perform both in and outside the normal school day.

Participation in the *performing arts extends the human spirit and is an integral part of a comprehensive education. Recognizing that, the School Committee encourages established programs to perform both in and outside the schools. Performances outside the schools require permission of the building principal.

Any performance requiring overnight or out-of-state travel requires permission from the School Committee.

*Performing arts include, but are not limited to: Band, Chorus, and Drama
