

# LEHIGH VALLEY ZOO SUMMER CAMP

## PRE-ZOO CAMP - Ages 4-5

**Penguins and Friends - June 27 - July 1:** Have you ever wondered what it's like to be a penguin? What kind of animal friends do penguins have? Come along on an adventure to the Southern Hemisphere to discover and meet some penguin friends. Campers will learn about the different species of penguins and who their friends are while enjoying animal encounters, crafts, interactive games, zoo tours and a creek study.

**Animals A to Z - July 18 - July 22:** Aardvarks, quetzals, takins and more! Have you ever wondered if there is an animal for every letter of the alphabet? Campers will discover funny names some animals have as they venture through the alphabet. Each day is packed with fun filled activities that include animal encounters, crafts, interactive games and zoo tours.

**SENSE-sational Animals - August 1 - August 5:** Super sniffers, fascinating feelers, extraordinary eyesight; animals have some truly incredible senses! Join us in learning all about animal senses and how these amazing adaptations allow animals to survive and thrive in their habitats. Campers will explore their five senses of sight, hearing, taste, smell, and touch throughout the week.

## ZOO CAMPS - Ages 6-8 • Ages 9-11

**Splash Into Summer - June 13 - June 17:** Dive into this week of wonderful water habitats! We will be learning about some of our stellar swimmers that live in both freshwater and ocean environments!

**Magnificent Mountains - June 20 - June 24:** Campers will learn about various mountains and mountain ranges, the animals that inhabit them and will dive into conservation topics relating to these Magnificent Mountains!

**Polar Explorations - June 27 - July 1:** Summertime can't stop us from learning about the coldest places on earth! This week, we will find out more about animals from both the Arctic and Antarctic regions.

**Days in the Desert - July 11 - July 15:** Our campers will immerse themselves in the world of desert wildlife! They will be exposed to amazing adaptations that animals living in this unique environment must have.

**Woodland Adventures - July 18 - July 22:** Prepare to adventure into the great outdoors right in the Lehigh Valley Zoo's backyard! Campers will spend the week trekking through the neighboring Trexler Nature Preserve to learn why our local forests are vital ecosystems.

**Wildlife Warriors - July 25 - July 29:** Immerse yourself in the natural world and learn how to protect its beautiful resources! Meet zoo keepers and educators throughout the week to learn about the important issues that animals are facing in the wild, and learn how to combat those issues by becoming a Wildlife Warrior yourself!

**Jungle Journeys - August 1 - August 5:** Journey into the tropical rainforest during this wild week of camp! This week will focus on the biodiversity of rainforests and the amazing creatures that live there.

## JR ZOO KEEPER - August 8 - August 12 Ages 12-14

Have you ever wondered what it was like to be a zookeeper? Is your camper interested in a career as a keeper, educator or a vet? This week of camp is for you!
