

JUNE 2022

# BOARD TO BOARD

A Newsletter from the Wayne-Finger Lakes BOCES Board of Education

*A Special Celebration Issue!*

## Did You Know...

### *Wayne-Finger Lakes BOCES is celebrating 50 Years of Service?*

As another busy month comes to a close, we are proud to have been able to celebrate many milestones with students, staff and employees at Wayne-Finger Lakes BOCES.

On June 6th the Board of Education and additional guests came together to honor employees who have received tenure. We are proud of the thirteen W-FL BOCES employees that received tenure this year and thank them for their dedication to students in the W-FL region.

We also recognized the hard work and loyalty of the employees we said goodbye to as they enter retirement. While this celebration always seems bittersweet, we are honored that these individuals chose to work at W-FL BOCES and we wish them well in their futures!

We look forward to continuing another 50 years in education and partnership with the districts we serve and the communities we're grateful to be a part of. If you know someone who might be interested in joining the Wayne-Finger Lakes BOCES family, have them check out our current job opportunities at [www.wflboces.org/jobs](http://www.wflboces.org/jobs)

## A Note from the BOE:

As the school year comes to an end, we want to extend a heartfelt thank you to all of our component districts for your support and collaboration over the past year. While it is typically said of raising children, it takes a village to also educate and lead today's youth effectively. Thank you for being part of our village here in the W-FL region.
