

All Students: Transportation Planning for 2022-23 School Year

Good afternoon DCS Family,

It's that time of year again and we need your help with transportation information. All families, please complete the transportation planning form below for next school year. The form is also available on the [Transportation page](#) of GoDavie.org.

To ensure that we have the most accurate and up to date information possible, we are asking for every DCS family to take a moment and please fill out this form **by April 8th**, whether your student is a bus rider, car rider, student driver, or virtual student. This form will need to be completed for each student in your household. This is critical to planning for next school year and will make the transition to a new school year more smooth for you and your student, so we ask all families to complete this form **by April 8th**.

If there are changes after the form is closed on April 8, we ask that parents contact their student's school with those changes. We appreciate your feedback! Have a great evening!
