

DCS Reminders and Spring Break Info

Good afternoon DCS family,

We have a few reminders for you this afternoon.

Please complete the [DCS Transportation Planning Form](#) for ALL STUDENTS by this Friday, April 8. For planning purposes, we need this information for all students, regardless of their transportation method.

[Kindergarten registration](#) is live. Please register your child or share this information with a friend or neighbor with a child starting kindergarten next year. We look forward to welcoming our newest DCS students for the 2022-23 school year.

Last, but not least, next week is SPRING BREAK! Please enjoy your time and get some much-needed rest and relaxation. Have a wonderful break!
