

Mercymount Country Day School Student Ambassador Program Grades 4-8

Mercymount Student Ambassadors are a group of students who are dedicated to the positive promotion of Mercymount Country Day School. These students specifically serve as leaders and ambassadors to students and families new to the school community. Since transferring schools can be a very confusing and difficult time for students and their families, the Student Ambassador Program makes sure every new student gets the attention and consideration she or he deserves and needs to be successful at Mercymount. Their main job is to be a helpful, friendly face for the new student on their first day of school and for the remainder of the school year. Students are matched based on their gender, language and grade level.

Being a Student Ambassador at Mercymount is a tremendous honor, and with that honor comes responsibility. Ambassadors must show leadership, good judgement, maturity, honesty and integrity. Students in this position will be asked to do the following:

- Welcome new students
- Walk the new students to all their classes until they feel comfortable enough to be independent
- Introduce them to their teachers
- Teach them how to use the lunchroom
- Eat lunch together
- Ensure that students get where they need to be at end of the day
- Answer questions about activities, classes, building facilities and school rules

The Student Ambassadors are invited to participate in the program because they have proven to be positive, responsible, respectful students. When we select Ambassadors, we balance out the many personal qualities that individuals bring to form a well-rounded team.

By signing below, you give permission for your student to join and support her/his involvement in the Mercymount Ambassador program.
