

Dear Parents and Campers,

We extend a warm “welcome” to our new camp families joining us for the first time this summer and to our returning campers and families. Summer Camps at Maclay started more than thirty years ago and has grown into a fun, full summer filled with a variety of academic, athletic, artistic, and just plain fun activities for all ages. We like to say it's more than a camp – it's an experience!

We are excited to have partnered with Minds in Motion. We have your child registered for **Future Engineers Camp beginning Monday June 27th, from 1:00pm-4pm.** Our Summer Camp team has spent the last several months preparing for an awesome summer for your camper. Please review the information below before the first day of camp.

What to bring to camp each day:

- Water bottle
- Snack

Daily activity: If you like to create and build things, this program is for you! Take home your very own engineering kit! You will build up to 8 working models including a material lift, stationary bike, crane bridge, construction crane, and a windmill! With the aid of your instructor and the easy-to-follow manual, you will learn different scientific principles involving pulleys and mechanics. You will also learn about basic circuits as you construct a Maze Challenge, Flying Disc, Turbo Air, and Alarm System with our STEM Lab kit! As future engineers, the STEM lab will teach you how to comprehend a schematic diagram and interpret the flow of electricity. Design your own diagrams and watch your confidence soar as you transform wires, springs, and plastic parts into fully functioning circuits. Come obtain the necessary skills and experience to take on the technological challenges of the future!

Arrival procedures for campers:

Camp safety:

Maclay has a registered nurse on campus to help support the safety and wellness of our campers. All campers must sign a waiver, produce immunization records, and follow our safety protocols. Before arrival to camp each morning, please screen your child for presence of acute illness symptoms. Any camper with symptoms present will be asked to stay home until symptoms have resolved (without the use of medication) for at least 24 hours. As always, seek medical attention and testing when appropriate.

The following is a list of symptoms:

- Fever ≥ 100.0 or chills
- Nausea or vomiting
- Diarrhea
- Cough
- Congestion or runny nose*
- Shortness of breath or difficulty breathing*
- Fatigue
- Muscle or body aches
- Headache*
- New loss of taste or smell

** We understand some of these symptoms are present with chronic medical conditions (i.e., migraines, allergies, asthma, etc.) Please have medical conditions and diagnoses listed on camper's medical form prior to enrollment.*

Thank you for practicing and modeling good hand hygiene and staying home when sick.

Please communicate with the Health Center if you are keeping your child home for illness and/or injury related reasons so that we may discuss our return to camp guidelines related to specific diagnoses. For these discussions or any questions about our health and safety protocols please contact the Health Center at 850-893-5030 or healthcenter@maclay.org
