

WEEKLY UPDATE TO THE BOARD OF EDUCATION

May 19, 2022

A MESSAGE FROM SUPERINTENDENT CARLTON D. JENKINS

Dear Board Members,

This week marks three weeks until the end of our fourth quarter. As we march ever closer to commencement exercises, and think about this eventful school year, we can reflect on this year's challenges, successes, and opportunities. Throughout this school year, our district and community has faced myriad local and national challenges, including: a constantly evolving global health pandemic; ongoing occurrences of racial injustice and violence; rising inflation caused by global supply chain disruptions and national staffing shortages; and social unrest, which has resulted from bitter and divisive political partisanship. Against this backdrop, our students, staff, families, and community members have demonstrated resilience, and the ability to thrive in uncertain times, while leaning forward together.

When students, families, staff, and community members engage one another in a spirit of collaboration and co-creation, magical moments and great accomplishments can happen. Hence, I was delighted to participate in the Circle of Friends Luncheon hosted by the Madison Public Schools Foundation (MPSF) on Tuesday. At this event, the accomplishments and efforts of our students and staff were highlighted, and our community was challenged to continue (and enhance) their support of our schools through philanthropy, volunteerism, and mentoring. Goals and dreams are often a product of individual determination bolstered by a network of supporters. As such, MPSF continues to increase the returns on community throughout Madison.

As we celebrate the community support for our district, we are also energized by examples of the positive stories occurring each day in our schools. For example, Awa Phatty, graduating senior and Black Student Union President at Memorial High School, was recently highlighted for her accomplishments in academics, athletics, and leadership. Students like Awa are nurtured by caring adults throughout our district and community. Therefore, we can all take pride in West High School teacher David Ross being one of the recipients of this year's Distinguished Secondary School Teacher Award given by Northwestern University.

As we recount the many accomplishments of our scholars and staff this year, we acknowledge the awesome opportunity our district has to move from leaning forward together to experiencing widespread breakthrough moments. We can realize this opportunity by recommitting to the synergistic processes of collaboration and co-creation. Hence, we look forward to engaging the voices of our students, staff, families, and community members in the coming weeks during our Strategic Framework Recalibration community events.

Thank you for your ongoing support and partnership. We look forward to updating you on our district's progress next week.

Sincerely,

Carlton

Carlton D. Jenkins, Ph.D.

➤ May 2022 Consent Item Responses to Questions

Reach Dane Day Care Contract

Please see responses regarding the above-named consent item for Monday:

(1) When Cap High moves to Hoyt, is the daycare also being relocated there?

Yes, there will be an onsite daycare, accessible to students at Capital High.

(2) Do other school age parents in MMSD access this daycare? I can't remember where the SAPAR program is currently located. Is it at Marquette?

Currently other school-age parents do not access the daycare. There are limited spaces per Wee Start space/capacity. We support students at Capital High Parenting, formerly SAPAR, with getting set up with day care and then accessing specialized classes to support their parenting or childbirth needs. Capital High Parenting is situated in Marquette/OKMS

Districtwide HVAC and Thermal Envelope Study

I am happy to see us focusing on our old and outdated HVAC in MMSD. My question is if the initial study was \$33,000 – what all is entailed that it goes up to \$275,000? Perhaps I need to see the original language on the bid?

Essentially, the \$33K is a down payment (not the total cost previously) to begin the process of organizing and putting together a task, timeline, and scope of work to be completed later in 2023. Our goal is for PRA to start as soon as possible.

This consent memo seeks approval for an assessment of MMSD's mechanical systems and thermal envelope so that long-range facilities planning can be performed to address the needs of the buildings. The \$33,000 is a starting point for the study. This memo is seeking approval for the additional cost of \$242,050 to complete the study in 2022.

Behavioral Health in Schools-Mental Health Agency Contracts

What five schools are getting expanded services for Behavioral Health in Schools?

Leopold-increased to 30 hours/week
Black Hawk- increased to 30 hours/week
Sennett- increased to 30 hours/week
Wright- increased to full time
Cherokee- increased to full time
Decisions were made based on Clinician availability and school size/level.

Strategic Framework Recalibration Proposal

Can you share the RFP that was used for consent agenda item 10.17 and the proposed contract with the board? Also can you share a summary of the bids from the other consulting groups? When we approve the funding for the first year, are we giving budgetary approval for the full three year contract or just the first year?

There is no RFP because staff got quotes. Those quotes are now part of the memo in BoardDocs. Every year the board will be voting on the amount. We are asking for year one only and the Board will vote, but we are letting the vendor know that this is a three-year contract. If it is not approved by the board in year two, we notify the vendor.

Achieve 3000

Please see attached document for more information about Achieve 3000.

Multiage Classrooms

Please see attached document for more information about multiage classrooms.

Equity Charts

At Operations Work Group on Monday, members of the board requested to see the staffing equity charts for MMSD, which is a report we have typically published in the budget book. I am including this report in the *Weekly Update* as requested. In the future, Ross will be working with the R&I team to include this kind of report along with our enrollment projections analysis. My main suggestion for doing this is that the staffing equity charts do not relate to the rest of the information presented in the proposed budget book as they are a year behind.

Ross shared during the Operations Workgroup Meeting that the staffing equity charts have been created in some form for the last several years and reflect FTE-based staffing compared to our student population and demographics in each school building. Ross has been producing these reports for years as part of the Budget, Planning and Accounting team since the beginning but has not been the recipient of any feedback or suggestions for this report until this year.

The staffing equity charts for the 2021-22 school year represent student and demographic data as of the 3rd Friday count in the fall of 2021. The FTE represented in these charts are based on the October approved 2021-22 budget. If the board has any feedback about this report or its history, please let us know and we will address it the best we can.

K-5 Classroom Library Book Lists

Please see the list of books purchased for K-5 classroom libraries attached. There is a list for English and Spanish books.

OTHER INFORMATION

Staffing Analysis

Please see the attached updated report dated May 16, 2022, detailing our efforts to make sure our schools are staffed and remain open for student learning. This report also includes movement on a number of programs and processes.

Construction Update

Attached you can find our first construction update about West High school. You can expect regular communications about our progress with the contraction projects.

Great Things Happening Around MMSD

- Mendota Community School 4th graders participated in a [“kindness retreat”](#)
- [State Representative](#) and Korean American Francesca Hong celebrated Asian American & Pacific Islander Heritage Month at East High School
- West High School Teacher David Ross named a Northwestern University [Distinguished Secondary School Teacher](#)
- Madison Public Schools Foundation [Circle of Friends](#) event highlighted performances by La Follette's jazz ensemble and Memorial's cast of Mama Mia

OUR UPCOMING BOARD CALENDAR

Mon., May 23, 9 a.m. Board Officers
Virtual

Mon., May 23, 6 p.m. Regular BOE meeting
In person and virtual - Open to the public

Tues., May 24, 5 p.m. Jefferson Renaming Citizens' Ad Hoc
Virtual

Wed., May 25, 5 p.m. Student Senate
Virtual

Thurs., May 26, 5:15 p.m. Safety & Student Wellness Ad Hoc
Virtual

Mon., June 6, 5 p.m. Instruction Work Group
Virtual/ In person for BOE members

- Tues., June 7, 5 p.m. Jefferson Renaming Citizens' Ad Hoc Virtual
- Thurs., June 8, 5:30 p.m. City Education Committee Virtual

ITEMS ATTACHED FOR INFORMATION

1. Achieve 3000
2. Multiage Classrooms
3. Equity Charts
4. K-5 Classroom Library Book List (English and Spanish)
5. Staffing Analysis
6. West Construction Update

Achieve3000 Implementation Information

Prepared for BOE on May 4th 2022

Achieve3000 is a literacy platform based on scientific research that reaches all students at their individual reading levels. The use of this supplemental resource ensures that all students are engaging with standards-based questions at a reading level appropriate for their accelerated growth. Achieve3000 supports teachers' differentiated instruction through embedded formative assessments, regular skills practices and targeted scaffolds.

Achieve3000 Implementation Plan:

- Students in grades 6-10 partake in the LevelSet on Achieve 3000 at the BOY, MOY, and EOY. This LevelSet provides teachers and students with a lexile number indicating their current reading comprehension level.
- At the classroom level, Achieve3000 is utilized in MS through the core instructional resources. Once a week in MS one of the texts from humanities and/or ELA is a text directly from Achieve3000. At the HS, we have created thematic libraries that connect to the essential questions chosen by teacher teams. The guidance is for students to engage in one article a week.
- In all content areas, classroom teachers have the ability to build their own classroom libraries and utilize Achieve3000 articles.

TO: Members of the Board of Education

FROM: Cynthia Green, Associate Superintendent of Teaching and Learning

DATE: May 19, 2022

SUBJECT: Multiage Classrooms

Overview

A board member had requested information on multi-age classrooms across the district. Below is a table that identifies where these classrooms currently exist and some of the strengths and opportunities identified.

Current State

School	Grade(s)
Allis Elementary	KG-01 (DLI) - 1 Section 02-03 (DLI) - 2 Sections 04-05 (DLI) - 2 Sections
Hawthorne Elementary	KG-01 (BIL) - 1 Section KG-01 (ENG) - 1 Section 02-03 (BIL) - 1 Section 04-05 (BIL) -1 Section 04-05 (ENG) - 2 Sections
Lakeview Elementary	03-04 (BIL) - 1 Section
Lindbergh Elementary	01-02 (ENG) - 3 Sections 04-05 (ENG) - 2 Sections
Sandburg Elementary	04-05 (DLI) - 4 Sections 04-05 (ENG) - 4 Sections
Thoreau Elementary	04-05 (ENG) - 1 Section
Badger Rock Middle School	All grades (6-8) - 4 Sections

Strengths and Opportunities

Strengths

The benefits of multi-age classrooms are that they put learning at the center, both socially and academically. The older students in the class help teach the younger students by modeling more sophisticated, complex problem solving and critical thinking.

Opportunities

- Multiage system is difficult to implement in schools with a large population.
- Curriculum in use for teaching only meets the need of singular-grade teaching.

Next Steps

As we continue to learn from our schools that are implementing this model and continue to recalibrate on our Strategic Framework, we will explore multi age classrooms as a potential instructional design strategy.

2021-22 Analysis: Equitable Distribution of Staffing

	Programs		Enrollment Demographics			Ethnicity

Madison Metropolitan School District

Staffing Analysis

May 16, 2022

This report is a snapshot of all the work that is being done for this week as well as movement on a number of programs and processes.

The substitute office is working in tandem with the Chiefs to make sure that all schools are staffed with the usage of 40+ central office staff to supplement needs within the schools. Also, please note that Absence Management does not necessarily indicate why staff is out of the building; rather, Absence Management depicts who needs a substitute for a particular date.

The deployment of central office personnel will sub on Thursdays/Fridays and select one additional day between Monday through Thursday. This deployment plan will last until the end of the school year.

- Looking at Absence Management for week of May 16, 2022:
 - **The week of May 16, 2022 – This is an overall look at absences:**
 - Absences – **1915 (981 Unfilled)**
 - Percent Filled – **48.64**
 - Percent Unfilled – **51.36**
 - Monday – May 16, 2022
 - Absences – **357 (186 Unfilled)**
 - Percent Filled – **50.40**

 - Percent with Central Office Usage – **58.96**
 - Number of Central Office Personnel – **20**
 - Tuesday – May 17, 2022
 - Absences – **355 (177 Unfilled)**
 - Percent Filled – **53.00**
 - Percent Unfilled – **47**
 - Percent with Central Office Usage – **53.75**
 - Number of Central Office Personnel – **2**
 - Wednesday – May 18, 2022
 - Absences - **400 (220 Unfilled)**
 - Percent Filled – **48.40**
 - Percent Unfilled – **51.60**
 - Percent with Central Office Usage – **49.08**
 - Number of Central Office Personnel – **2**
 - Thursday – May 19, 2022
 - Absences - **395 (208 Unfilled)**
 - Percent Filled – **48.90**
 - Percent Unfilled – **51.10**
 - Percent with Central Office Usage – **49.26**
 - Number of Central Office Personnel – **1 (2 available half day)**

COVID Leave:

Covid Relief was approved for five (5) days on January 10, 2022, for benefit eligible employees. The leave is available from January 11, 2022, through June 30, 2022. **To date, we have had an additional 65 leave requests bringing the overall total to 1106.**

COVID Hardship Leave Launch:

Covid Hardship Leave was approved for fifteen (15) days which are available from September 23, 2021, to June 20, 2022. A communication was sent on March 15th announcing the application was now available. **To date, we have received 75 requests bringing the overall total to 816.**

Current Updates:

Processes and Procedures

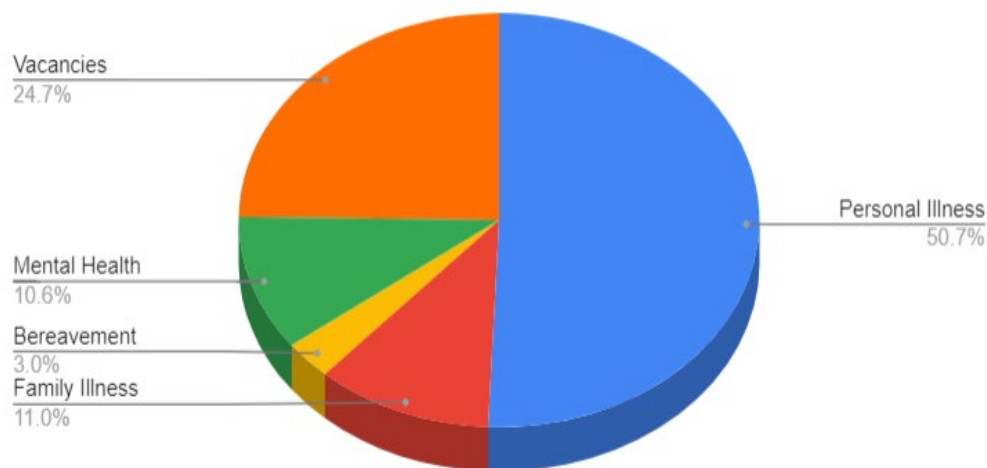

We have sent out 2,430 teacher contracts for the 2022-2023 school year.

Currently HR uses Cornerstone as a Human Resources system for new applicants. As the older system, SearchSoft was sunset. To date, only HR has access to the older system, for historical data and purposes. SearchSoft is a cloud-based system and HR will continuously have access to that data, as long as the contract or previous agreement allows, however, it is the plan of HR to move that data to a local server, which is housed and managed by MMSD. We have had an inaugural meeting with Dr. McCray to discuss this transition and we plan to meet over the summer to scope and map this work to see what the lift will be to make this transition.

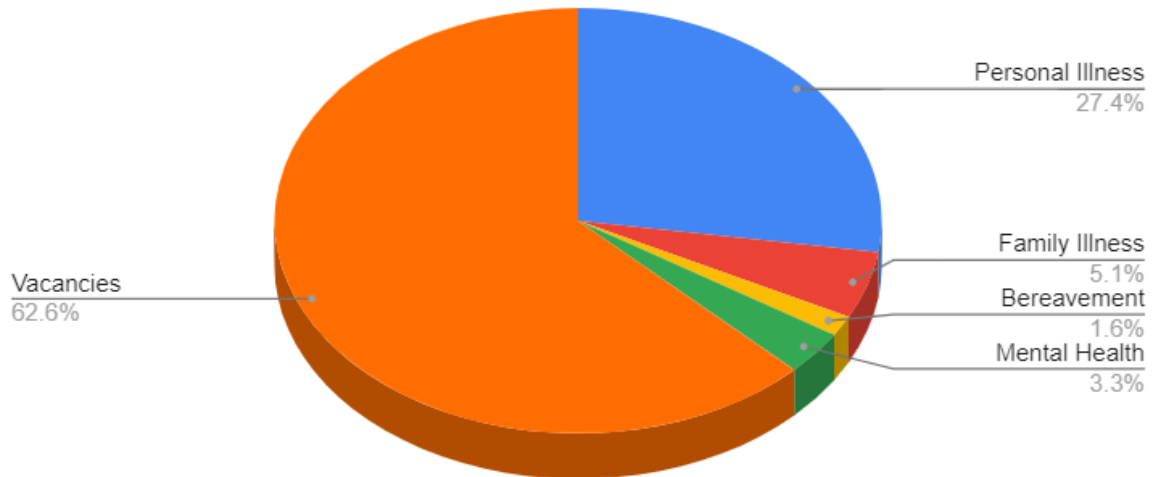

Substitute Office

As we round out the school year here are some breakdowns of the file rates and types of absences submitted within Frontline (AESOP) system and the fill rates to date.

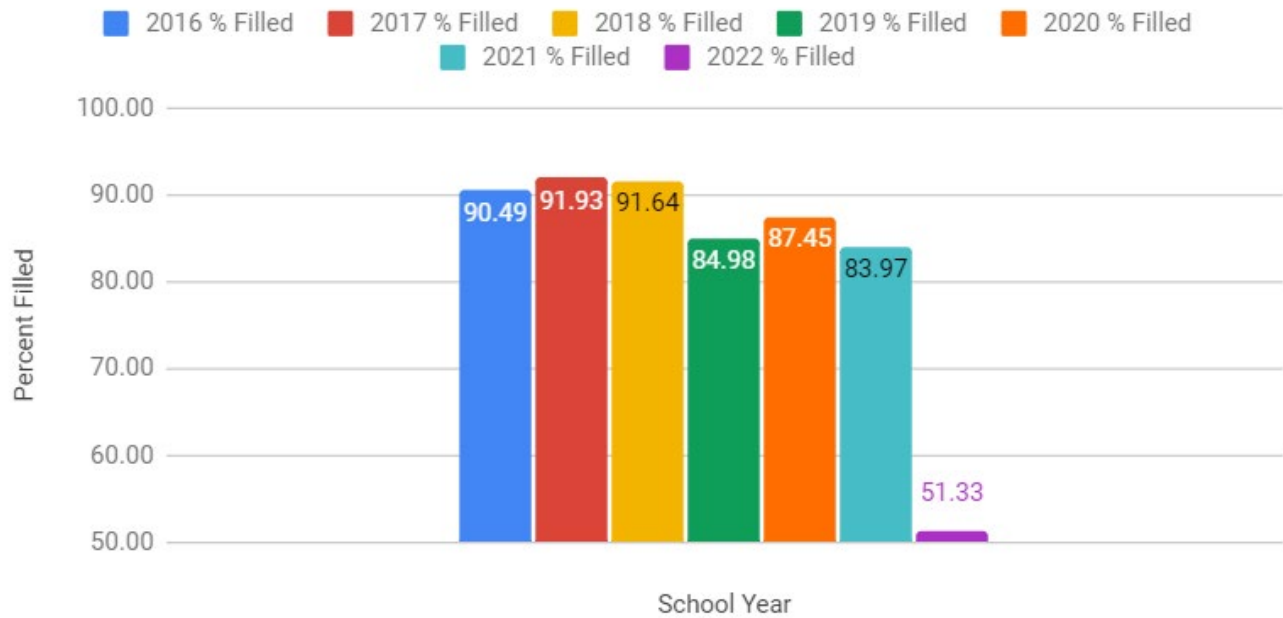

2022 Teacher Absences

2022 SEA Absences

Sub Teacher/SEA Annual Fill Rates

(Projected Amount for 6/1/2022)				
Total for 2022				\$ 1,749,950.20
TOTAL for 2021 and 2022				\$ 4,758,020.20

Future Ready Construction Update

PROVIDED BY FINDORFF

Madison Metropolitan School District 05.20.2022

This week's update: West High School

We are committed to keeping you informed as we complete construction from the MMSD 2020 facilities referendum.

Construction is underway!

Findorff, the District's construction manager, has started the first phase of construction at West High School.

Outside the building, large piles of rocks and dirt were temporarily placed on the School's football field. The rocks were crushed to create a solid layer of gravel as a base for construction activities.

Inside the building, temporary walls separate construction spaces from school activities to ensure student and staff safety and limit disruptions during construction activities.

What's happening behind the temporary walls?

- Relocating and converting the old gym and library spaces into multiple classrooms and student-focused instructional spaces
- Installing ductwork and pipes in the old gym and library spaces to improve the building's heating, ventilation, and air conditioning systems

Architectural rendering of West High School's entrance.

Temporary walls outside the library space ensure safety for students and staff during construction.

DID YOU KNOW?

The rocks that are used to create gravel are recycled from material on this site and from neighboring sites in the area. This helps decrease the use of new rocks and gravel needed for construction activities.

For additional information or questions, scan the QR CODE to be directed to the MMSD construction page.

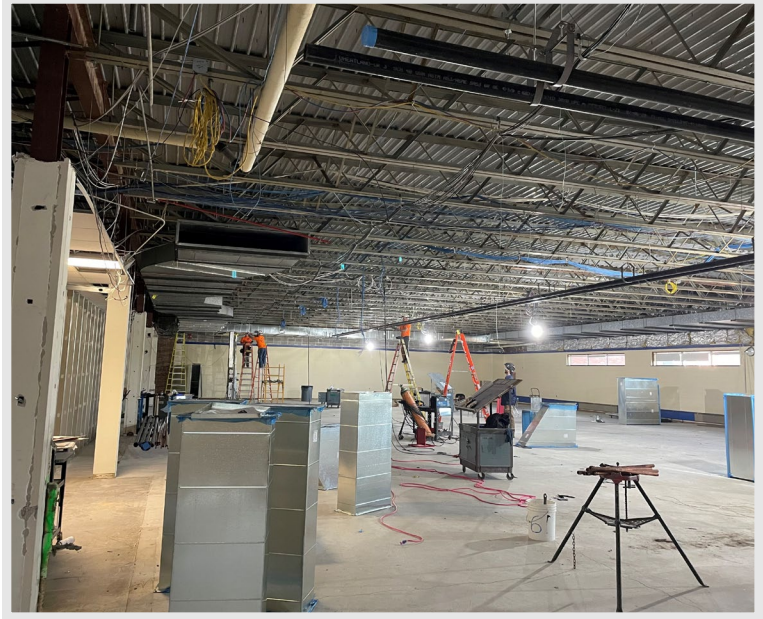

Future Ready Construction Update

PROVIDED BY FINDORFF

The old gym locker rooms were demolished to make room for new classrooms and instructional spaces.

In the library space, construction workers are installing new ductwork for the building's air conditioning.

Piles of rocks and dirt placed on the football field are crushed to create gravel for construction activities.
