

Pay - to - Participate – Guidelines / Payment Form

2021-2022

A Pay - to - Participate Fee was adopted by the Aurora Board of Education in 2011. The Pay - to - Participate structure will be in effect again this year for all Aurora City Schools' Interscholastic Athletic Programs, including Cheerleading, Band, Flags and Band Highlights. The purpose of this fee is to partially offset the expenses (transportation, uniforms, equipment, etc.) that the board of education incurs while providing comprehensive athletic programs in grades 7-12. We currently offer 55 teams in 21 different sports in the district.

Payment of the participation fee **does not** imply any privileges beyond membership on the team. For example, no athlete is guaranteed an equal or certain amount of playing time.

How much is the fee?

- \$100.00 for Aurora High School
- \$50.00 for Harmon Middle School
 - This fee is an annual fee whether a student plays one sport or three sports. The student will only be assessed \$100.00 or \$50.00 depending on the school he/she attends.
 - There is no family cap
