### Ohio's Parent Guide to Autism

This manual provides an overview of the world of autism spectrum disorders (ASD). It was developed by Ohio parents of individuals with ASD who have a broad range of experience with interventions, resources, and services. The group's work began with the question: What do you wish you had known the first year your child was diagnosed?

The manual covers a wide range of topics of interest to families, and each chapter contains rich reference materials, including books, websites, and names of organizations where additional information on each topic may be obtained.

### State Support Team Region 8

The State Support Team Region 8 (SST 8) is an agency extension of the Ohio Department of Education offering regional services provided for Summit, Medina and Portage Counties. As one of Ohio's 16 SSTs, SST 8 will provide services and assistance to school districts and community schools, educational service centers, early childhood centers, and families in these areas: special education, transition, school improvement, and early learning.
