Aurora City School District

From the Superintendent

By RUSS BENNETT
Superintendent of Schools

The events that have occurred during this school year have caused me to reflect on just how much our school district and community are a family. Together we have shared in the joys of triumph and we have lifted each other up during times of despair. This has been one of the toughest school years to get through since I have become superintendent at Aurora Schools. But through it all, I have been moved by the outpouring of friendship, support, comfort, and love that have been exhibited by so many in our schools and throughout the community. We truly are a "family," one that I am proud and humble to be a part of. It is comforting to know that in times of crisis the "Aurora family" is here. I think that it's one of the things that sets us apart from other communities and makes Aurora unique.

AURORA ATHLETES EXCEL ACADEMICALLY

It is no secret that our Aurora Greenmen athletes are a tough and committed group. They are constantly aspiring to and succeeding in winning games, conference titles, championships, and continuing on to participate at the collegiate level. They are very successful in achieving these goals. They are formidable foes in the athletic arena.

But what is also impressive is that these same athletes, along with their winning athletic achievements, also excel academically. Despite the time and effort needed to be athletically fit and competitive, they have also made the commitment to be winners in the

classroom. This is illustrated by the Grade Point Averages (GPA's) of our athletes. These GPA statistics are calculated each quarter by the Aurora Athletic Department.

For instance, the 2011-12 Fall Sports GPA's are based on the 2011 first quarter grades. These statistics show that of the ten fall sports offered, the percentage of athletes with a 3.0 or better was 83%. The percentage of athletes with a GPA of 4.0 or greater was 18%. The Fall Sports GPA average for all athletes combined was an impressive 3.41.

According to Athletic Director Paul Powers, "We continually stress the importance of student academics to our athletes. Their academic performance is integral to their athletic

YOUR SCHOOLS ISSUE DEDICATED TO STUDENTS

The Aurora City School District would like to dedicate this issue of our *Your Schools* newsletter to three of our students:

**Tommy Dankelson • Paulie McGhee
Danielle Stewart**

We were very fortunate to have them in our district family and share in the grief of their loss. Each of these students touched so many lives in such wonderful ways. Our memories of them will keep them close in our hearts and minds.

LONGTIME SCHOOL BOARD MEMBER ANN MORRISON RETIRES

After 12 years of immeasurable service, Aurora School Board member Ann Morrison stepped down from her position on the Board effective December 31, 2011. She did not run for re-election in the fall. Annie Grohe was elected and took Morrison's open position as school board member.

Ann Morrison has been a resident of Aurora since 1977 and an Aurora School Board member since 2000. She and her husband Joe have three children, Elizabeth, Joe, and Daniel, who are all graduates from the Aurora School District. Morrison has always been very active in the Aurora community. She has worked as a preschool teacher at the Aurora Children's Day Center since 1991. "Miss Anne," as she is known, is now semi-retired from teaching the Pre-Kindergarten class there. She has

been on the board of directors of the Aurora One Fund since 1979. Morrison has also been a devoted volunteer with the Aurora Schools where she has been active in the Aurora Sports Boosters, Aurora Band Boosters, Aurora Schools Foundation and is also a founding member of the Aurora Ultimate Boosters.

She became interested in and was encouraged to join the Aurora School Board when former Board member Ken Leighton retired. After becoming a member of the Board, she held the position of vice-president from 2002-09.

Speaking about her tenure on the Board, School Board President Gerald Kohanski said, "I had the privilege of working with Ann for 12 of my 14 years on the Board. Her priorities were always with Aurora's children. She was also very cost

conscious and diligently studied and analyzed all the financial data so that she could make the best decisions possible. She was a very dedicated Board member, attending most events, big or small, in support of our children. My memories of Ann will always be of a high-integrity lady who did not seek recognition or attention for herself, and who worked very hard as a Board member, sports booster and parent. I will always count her as one of my most valued friends and colleagues."

If you live in Aurora you know what I mean.

In spite of our tragedies, we have also had many triumphs throughout the school year. We won four, yes four, C.V.C. Championship titles in boys' soccer, cross country, golf and girls' tennis. Our Greenmen football team and coach Bob Mihalik lead us to the playoffs for the 7th year in a row and into the semi finals. The team then went on to show Northeast Ohio their love and admiration for a fallen teammate. Their determination and strength helped us all to begin healing.

As a district we have also received academic recognition from the College Board with inclusion in their AP Honor Roll for the second year in a row. Thank you to our Treasurer Bill Volosin and his team, Linda Lucarelli and Diane Ebie, who have done such an outstanding job that our district was given the *Ohio Auditor of State Award* for 2011.

We have instructor Stacey Slackford-Barnes, the Elementary Physical Education Teacher of the Year, making our children's health a top priority. Our Aurora Schools Foundation dedicated a wonderful new patio at Veterans Stadium honoring Linda Allenspach, a selfless volunteer to our school district.

I also want to send a special "thank you" to Ann Morrison as she steps down from the Board. I know first-hand how much she has tirelessly given to our school system in so many different ways. I cannot thank her enough or express how much she is appreciated.

Together, as we continue to heal and triumph over tragedy, we will have each other to lean on.

"Be yourself, everyone else is taken."

Editor: Stacey DeAnna

Your Schools is a publication of the Aurora City School District. Its purpose is to keep residents of Aurora informed of current events and progress in the Aurora City Schools and to foster pride and a continuous communication link between the schools and the community.

Your Schools has been awarded the "Mark of Excellence" and "Best of the Best" Awards by the Ohio Chapter of the National School Public Relations Association for service as a school district newsletter. *Your Schools* is a quarterly publication, mailed to all residents of Aurora. For information, comments, or story ideas, e-mail Editor Stacey DeAnna at: yourschools@aurora-schools.org.

Aurora City School District Receives the *Ohio Auditor Of State Award* for 2010

The Aurora City School District has received the *Ohio Auditor Of State Award* for 2010. Our school system's excellent record keeping has earned us this award. Auditor of State, Dave Yost, stated, "Clean and accurate record-keeping are the foundation for good government, and the taxpayers can take pride in your commitment to accountability." This award is presented to local governments and school districts after having a completed financial audit and meeting the criteria of a "clean" audit report. These auditor awards are given on a retroactive basis, giving time for the full completion of the audits.

The award states that it was "presented for exemplary financial reporting in accordance with Generally Accepted Accounting Principles (GAAP) for the year 2010. The citizens you represent are

well served by your effective and

accountable financial practices."

Aurora Board of Education President, Gerald Kohanski, said, "The Board of Education is extremely proud to receive this award and highly commends our Treasurer Bill Volosin and his team in the Central Office. They operate a very lean organization and their high efficiency is a tribute to the long hours, pride, and commitment they give to their jobs. The Aurora Schools and the community are very fortunate to have such excellent, hard-working individuals ensuring that taxpayer dollars are being accurately accounted for."

HARMON SCHOOL 8TH GRADE CLASS HOLDS WREATH LAYING CEREMONY

The Harmon School 8th Grade class held a wreath laying ceremony that honored all veterans on Friday, November 11, 2011 at Harmon School. The ceremony was originally planned for presentation at the World War II Memorial, but was postponed until Veterans Day.

Area veterans attended the ceremony as guests of honor. Harmon 8th grade students and staff submitted the names of veterans to be honored and read the names aloud during the ceremony. A wreath was then presented to Steven Spencer, head of the American Legion, by 8th graders Cal DiJulius and McKenna Ritter. Matt Vince concluded the ceremony by playing taps.

HOLIDAY "WRAP UP"

Our Aurora City School District students, families, and staff find so many ways to help others year round and especially during the holidays. This past holiday season was no exception. Some of the many ways our schools found to give

back included a Coats for Kids drive at Harmon School that acquired approximately 1,800 coats, a high school SADD sponsored dodge ball tournament that raised funds for the USO and Camp Sunshine, Shop With A Cop activities, Leighton School's "Flurry of Gifts" campaign that filled 300 gift tags, Craddock School's distribution of holiday back packs and Farmhouse Feasts to those in need, and so many other ways such wonderful generosity was shown. Thank you to all for making the holidays brighter!

Who's Who & What's New

The winning team of 17 girls at the **MID-AMERICA IRISH DANCING CHAMPIONSHIP** in Chicago included Aurora High School junior **ALEXANDRA CONCES**.

Just a reminder, that the **AURORA ORCHESTRA ASSOCIATION (AOA)** is continuing their **BIRTHDAY/SPECIAL OCCASION CAKE** (good report card, driver's license, making the team, becoming a teenager, Farewell to Harmon, etc.) **FUNDRAISER**. The 9" x 13" cakes are delivered to the student's lunch period with plates, forks and a plastic knife to share with five friends. This fundraiser is currently available only at Harmon School and the high school. The order form is located in the "Downloads and Links" section on the Aurora Schools' website homepage under the new "Student/Parent Order Forms" title.

All of the money donated as part of the **AURORA FOR OTHERS COIN WARS** at the high school will be donated to **FAMILIES IN AURORA, USO, CAMP SUNSHINE** and **THE PAULIE MCGHEE SCHOLARSHIP FUND**.

MIKE LALLY of **LALLY CHEVROLET** in Bedford, Ohio, was on hand for the drawing of a 2012 Chevrolet Cruze that was graciously donated as a raffle prize by Lally Chevrolet and the Chevy Network. Congratulations to **AMY** and **CRAIG LYDIGSEN**, winners of

the new car. The Aurora City Schools collected over \$22,000 in raffle ticket sales that will go to student groups. The Aurora School System would like to thank **MIKE** and **KIM LALLY** for their donation. Thank you to the student groups that sold the raffle tickets and to the community for supporting this extremely successful fundraiser.

Good luck to Aurora School Bus Driver, **ROY SCHWEITZER**, who retired after nine years of committed service to the district and our students.

Congratulations to the 7th grade **ROBOTICS TEAM** comprised of **IAN DOEMLING, JARED RUDHER, TYLER THIEDING, JARET SKONIECZNY**, and their coach **TERRY PHILLIPS**. They were finalists for the **ROCKWELL COLLINS INNOVATE AWARD**, given to the team that has the most innovative and creative robot design solution, at the **FIRST TECH CHALLENGE** in Pittsburgh on February 11, 2012.

The staff of the Aurora Schools have been participating in **ALICE (Alert,**

Lockdown, Inform, Confront and Evacuate) TRAINING. School Resource Officer **MICHELLE ICE** and Aurora Police Officer **CHRIS REITER** have been instrumental in providing the safety training which stresses new ways to handle school violence. After the teachers have been trained, students will also be instructed on ways to change their response tactics to increase the odds of survival. More specific information will be provided to parents as training plans are finalized.

CHRISTIAN WARD

was the winner of the **GEOGRAPHY BEE** contest held by Harmon School teacher **LAURIE SCHOFIELD** on January 5, 2012. Superintendent **RUSS BENNETT** was on hand to host the contest. The top ten finalists for the competition were: **CHRISTIAN WARD, BROCK NELSON, HENRY YOUNG, JAMES KRISTELL, NATHAN SMITH, JUSTIN VOYZEY, NATALIE BRIGGS, JARED RUEHR, PHUOC HANH LE, and LEXI SUBBOTIN**.

VOORHEES TO SING WITH CLEVELAND POPS ORCHESTRA

Aurora High School senior Kaley Ann Voorhees will perform with the Cleveland POPS Orchestra on Saturday, March 24, 2012 at Severance Hall. Voorhees, a 17 year-old soprano, will perform at 8:00 p.m. during the orchestra's "Tribute to the Music of John Williams" concert. She will sing "Glitter and be Gay" from the musical *Candide* by Leonard Bernstein.

Voorhees began performing at the

Aurora Community Theater when she was 8-years old. Since then she has become well known in the community for her vocal work which includes the Aurora High School advanced choir "Chamber Singers," the show choir "Emerald Ensemble," the elite a cappella choir "Unaccompanied Minors" and a former member of the world renowned "Singing Angels."

Voorhees is one of two Grand Prize

winners of the 13th annual

Cleveland POPS Orchestra's Jean L. Pettit Memorial Scholarship Competition. The POPS Orchestra's scholarship program's "mission is to find and encourage prodigiously talented performing artists, 18 years of age or younger, who reside and study in Northeast Ohio."

TILDE NETCASTS ON-LINE

The Technology Research and Integration Department of the Aurora City Schools hosts Internet broadcasts ("netcasts") live from the Board of Education building. These TILDE (Technology Infused Learning for a Digital Era) netcasts are streamed and distributed to a world-wide audience.

These netcasts are "dedicated to bringing awareness and skills to all those interested in being better, more connected learners and contributors in this new digital age. All our content is open and free." To view the TILDE Netcast Network go to aurora-schools.org and click on "Downloads and Links" on the homepage. They can then be found on the right-hand side under "Technology Integration."

VETERANS STADIUM COMMUNITY ACCESS TURNSTILE RELOCATED

The community access turnstile at Veterans Stadium has been relocated to the Northwest corner of the stadium near what is commonly referred to as the "player's entrance." For those community members that use the track and bleacher steps at Veterans Stadium, please enter through the turnstile. Parking is available in the staff parking lot adjacent to the turnstile entrance. There is no parking in the handicap lot by the brick entrance north of the stadium field. Use of the turf field is considered reserved space and needs to be approved for use by Athletic Director, Paul Powers. Building Use Request Forms can be found on-line at aurora-schools.org.

LINDA ALLENSPACH MEMORIAL PATIO DEDICATED

The Linda Allenspach Memorial Patio was dedicated at Veterans Stadium on Friday, October 28, 2011. The patio was sponsored by the Aurora Schools Foundation, which funded the patio from contributions collected from a Brick Donation Campaign. It is located on the North side of Aurora High School's Veterans Stadium concession stand. Allenspach, a 1968 Aurora graduate, was a "selfless volunteer" for the Aurora Schools.

Aurora baseball coach, George Snider, summarized Linda's volunteerism saying, "She was the heart and soul of service in the school community. It didn't matter what the activity was - from band to sports - when the phone rang it was Linda organizing some activity and looking for volunteers. When she couldn't get enough help, she did it all by herself. It was never a part-time or individual thing with her. She was supportive of all activities, all the time."

Aurora School Board members Gerald Kohanski, Ann Morrison and John

Sloe were joined by Superintendent Russ Bennett and Allenspach's daughter, Katie, for the dedication ceremony. During the ceremony Kohanski said, "No one will ever take her place. She was Aurora's ultimate booster. She was everyone's friend and everyone relied on her. No one loved Aurora or the schools more than she did and no one single person

ever did or will do more than her."

Aurora City Schools Superintendent, Russ Bennett, also stated, "Mrs. Allenspach was absolutely an icon. She made Aurora better- someone who truly had her heart in the right place. She can't be replaced. There was only one Linda Allenspach."

Kohanski dedicated the patio by saying, "We are proud to dedicate this memorial to her today. It's a fitting remembrance because at this spot in the future, people's experience at our athletic events will be enhanced. They will honor Linda's memory by enjoying this space and having fun. And in so doing, we will all remember her forever in the way she would have wanted."

THANK YOU FOR YOUR SUPPORT

The Aurora City School District would like to thank the Aurora community for supporting our Issue #14 renewal levy on November 8, 2011. The passage of this levy was extremely important for us to be able to support our day-to-day operations.

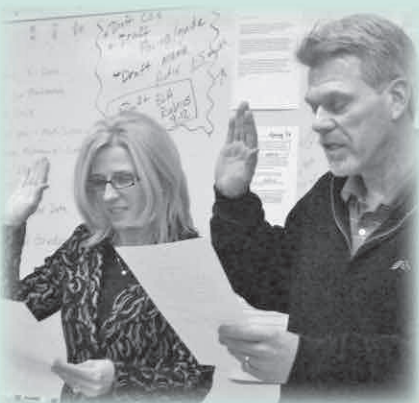

We would like to also gratefully thank our community members for all of their confidence and support. With such strong support we will be able to continue to offer our community a top ranking school system that will provide our children with the resources needed to become successful in their education and career choices.

SCHOOL BOARD NOTES

Every January is national school board month. Thank you to all of our Aurora School Board members: **Gerald Kohanski, Pam Mehallis, Annie Grohe, Bev Kuch** and **John Sloe** for their tireless commitment to our students and school system. Their many hours of behind the scenes hard work are immensely appreciated.

Best of luck to longtime school board member **Ann Morrison** as she steps down from the Board. Her many years of service, dedication, and fortitude to the Aurora City Schools are immeasurable and have helped to make our school system one of top ranking districts in the State of Ohio.

Welcome to our newest Aurora School Board member **Annie Grohe**. She was elected to serve on the school board with her term beginning in January of 2012. She was sworn in at the January school board meeting.

Aurora School Board members Annie Grohe and John Sloe being sworn in.

Sport Report

Congratulations to the **Cleveland Plain Dealer high school football 2011 All-Star Team** honorees, Greenmen

Anthony Melchiori and **Troy Watson**. Senior Greenmen punter Melchiori was chosen as an All-Star on the defense team. Watson, a senior lineman, was named to the All-Star offense team. Notable comments about Melchiori included, "Averaged 40.6 yards per punt, including three inside the 20-yard line. Punts had good loft when needed. Also, was an outstanding directional punter and excelled kicking into high headwinds and cross winds." Watson, a senior lineman, was named to the All-Star offense team. He was noted as, "Big, powerful guard blocked at a 91-percent efficiency, had eight pancake blocks and allowed one sack and one tackle for loss. Among the strongest linemen in the area, he frequently opened big gaps."

Senior **Darby Griff** signed a national letter of intent to play volleyball at Troy University in Alabama.

Aurora tennis team member **Maddie Gilley** received the **2011 Diane McNeal Sportsmanship Award** from the **Northeast Ohio Tennis Association (NEOTA)**. The award is given each year to one boy and one girl who "demonstrate outstanding sportsmanship on and off the court," by the NEOTA Executive Board. Among the "best of the best", Gilley was also selected to receive the **2011 all-star athlete for tennis award** by the **Akron Touchdown Club**.

The **Aurora High School Volleyball Team** and our **Athletic Department** collected 530 pounds of food for **Volunteers of America** last fall.

Chagrin Valley Conference Champions ~ Fall 2011

GIRLS TENNIS TEAM – **Dania Banc** coached her girls' tennis team of seven to a conference title for the second season in a row.

BOYS GOLF TEAM – **Gus Mehallis** coached the boys' golf team on to win the C.V.C. golf championship title for the 2011-12 season.

BOYS SOCCER TEAM – The boys' soccer team, coached by **Chris Gentile**, went on to play in the regional semi-finals.

BOYS CROSS COUNTRY TEAM – The team won the Chagrin Division title with the help of head coach **Laura Bell-Peters** and assistant coach **Rick Buoncore**.

Our **Aurora Greenmen football team** has made it to the playoffs now for the last seven consecutive years!

Aurora Greenmen player **Anthony Melchiori** was selected as the **United States Marine Corps Elite Warrior of the Year**. He was a finalist for the honor after winning the **Marine Corps Elite Warrior of the Week** campaign for week 3 of the 2011 football season.

Last December, Aurora had three Greenmen from our Division II Region 5 champion football team earn all-state honors from the **Associated Press**. The first team offense players were punter **Anthony Melchiori** and lineman **Troy Watson**. Greenmen **J.T. Haughey** was named as a linebacker to the third team.

participation here at Aurora. The two are not separate. If a student's grades are failing, their athletic participation is then limited. Academics and athletics each have an impact on the other."

In the Aurora district, an athlete needs to have at least a 1.5 GPA in order to participate in an athletic sport; however, Powers explained that, "there are only a few students a year that fall into that category. The number is pretty low."

Aurora School Board President Gerald Kohanski stated, "The academic performance of our athletes is very gratifying and typifies Aurora's philosophy of educating well-rounded students who are encouraged to maximize all their talents. Coaches like Bob Mihalik model those ideals by not only demanding the best performance on the field from their athletes but also requiring them to excel academically. Aurora is fortunate to have coaches like Mr. Mihalik and an outstanding athletic director like Paul Powers."

Stacey Slackford-Barnes Wins Ohio Elementary Physical Education Teacher of the Year 2011

Congratulations to Aurora Physical Education Instructor Stacey Slackford-Barnes. She was selected as the Ohio Elementary Physical Education Teacher of the Year by The Ohio Association for Health, Physical Education, Recreation and Dance (OAHPERD). She received her award on December 1, 2011 in Columbus, Ohio.

Slackford-Barnes earned both her Bachelor of Science and her Master of Science from Kent State University. She has taught Physical Education for 18 years with the past 12 years spent here at the Aurora City Schools.

She believes that physical education should educate and develop students' knowledge about health, fitness, and the importance of physical activity. A physical education program should embed physical competence, knowledge about health-related fitness, self-esteem, and the enjoyment of physical activity for becoming a well-rounded person with a healthy and active lifestyle in the

Russ Bennett and Stacey Slackford-Barnes

future. Physical Education should be a fun learning experience for all students.

Dr. Mary LaVine, Assistant Professor-PETE at Bowling Green State University said, "Stacey stands out as one of the best physical education teachers I've observed. She is upbeat and positive about physical education and students needing appropriate physical activity in their school experience. She is a strong teacher and a leader who also helps her teaching colleagues across the district develop effective programs. LaVine also stated, "...she continually works to maintain a high quality education program for all students in the Aurora School District."

Superintendent Russ Bennett added, "Our students are very lucky to have a teacher that cares so much about their physical and mental well being." The Aurora School District is very proud of her impressive accomplishment.

CLASS ACTS

Thank you to **Aurora Education Association (AEA) President Ted Linden** for organizing a **Kettle Corn Fundraiser** at our Homecoming football game on October 6, 2011. A big “thank you” to all of the teachers that popped and sold the kettle corn to help pay for the insurance deductible needed to repair the home bleachers that were damaged by a fire at Veterans Stadium. Approximately **\$2,000 was raised**. Our community support is greatly appreciated and “thank you” to all of those who contributed and enjoyed the fantastic treat.

Ted Linden and Angi Frankmann

A special thank you to two Aurora students, **Maggie Connolly** and **Kelsey Qualters**, who also donated \$20 from cookie sales

to help with the cost of the insurance deductible to repair the fire damaged Veterans Stadium bleachers.

For those of you that placed signs on your property in support of our **Levy Issue #14**, we truly “thank you.”

As a member of **Heinen’s Tasteful Reward Program**, when you shop at Heinen’s you can help the Harmon/High PTO or the Elementary PTO through the ABC School Donation Program. Up to 1% of your qualified purchases made from September through April, will be donated by Heinen’s. It is never too late to sign up! Please go to www.heinensrewards.com and sign up to participate. Even if you have registered in years past, you must sign up every year. The Harmon/High PTO and Elementary PTO appreciate your support.

Harmon School 8th Grade Social Studies instructor **Nancy Tyrrell** has been recognized by **Symbaloo**, a social service that allows teachers to share the best of the web with their students, for her instructional use of the Symbaloo website. She has received over 3,000 “hits” on her site, which includes

teachers from around the world that are following her.

The **American Red Cross** honored the **Harmon School Beta Club** at a luncheon on October 11, 2011. Harmon School Principal **Mark Abramovich** took three students from last year’s club and two students from this year’s club, who were honored for continuing to hold their blood drive despite a no school snow day.
