900 Hillsborough Street, Raleigh, N.C. 27603 | 919-424-4000 | [www.sms.edu](http://www.sms.edu)

Dear Saints,

Welcome to Saint Mary's! The Learning Support Team is eager to help guide you on your path towards graduation. Whether you currently receive support services or are new to SMS, kicking off a new school year is important, and we want to do all that we can to help provide you with a smooth transition.

In the Learning Support Program at Saint Mary's, all students are welcome to receive assistance with various learning needs such as, executive functioning skills, learning lab, content-based tutoring, and referrals for evaluation. We also support SMS students by ensuring that your accommodations are in place and appropriately implemented in all of your classes. In the upcoming weeks, Dr. Hinkins and Mrs. Doyle will be reaching out to discuss your '22-23 support plan and sharing your accommodations with relevant faculty members based on your schedule.

If you were recently evaluated, please forward your documentation to us via email for review. If you have concerns regarding possible learning differences, [please fill out this form](#) to initiate support services. Should you need additional information, please feel free to contact us at [learningsupport@sms.edu](mailto:learningsupport@sms.edu).

Please stop by our new home, the Learning Hub on the second floor of the Kenan Library when you come to campus. Have a safe summer!

Sincerely,

Tai Hinkins, Ed.D  
Director of Learning Support

Ashleigh Doyle, MS '03  
Assistant Director of Learning Support
