Dear New Parents,

WELCOME! I am Louise Stowe, Parents Association President and mother of rising 11th grader Suzie. My daughter, May, graduated from Saint Mary's in 2020. On behalf of the Saint Mary's School Parents Association, it is my pleasure to welcome you to the SMS community. We are all excited about seeing you on campus in August. I remember feeling very overwhelmed with the new transition including all the forms and emails received when my first daughter started at Saint Mary's seven years ago. I promise it is all worth it!!

We look forward to the new energy that you are going to bring to campus and feel confident that your talents, joined with our existing parents, will make for a great year. There are many ways for boarding and day parents to be involved, and we always feel the more the merrier!! [Click here](#) for a link that has a description of each committee that is a part of our Parents Association and a place for you to sign up to help.

I am also including the name and contact information for each grade level representative listed below. You will hear from them later in the summer and throughout the year. Your grade rep is a good contact for you as I am sure there are questions that will arise as you navigate the registration process.

Please do not hesitate to contact them or me if you need anything at all - we will find the answer!

GO SAINTS!!!!
