

## Supply List for Room 6: Primary Autism

1. **Several Snacks to share** (i.e. fish crackers, Cheese Its, microwaveable popcorn, pretzels, crackers, cookies, fruit snacks, etc.) Enough for your child to share with their peers, until December.
2. **2 large containers of baby wipes**- to assist with student work jobs and keep the germs at bay. We use a lot of marker boards when practicing writing. This helps decrease the amount of photocopies used each year.
3. **1 tooth brush, toothpaste, and comb or brush** (*we replace this every year*)
4. **2 boxes of Kleenex**
5. **2 bottle of Elmers white glue**
6. **1 package of Elmers washable glue sticks**
7. **1 packages of paper plates** (No Foam or Plastic)
8. **1 package of plastic silverware**
9. **1-2 set of clothes** (shirt, underwear, pants/shorts, socks) please **label your child's clothes** with their initials.
10. **3-4 cooking items** for the year (examples might be brownie mix, rice krispy cereal & marshmallows, cake mix, muffin mix, jello, pudding, mac n cheese, suddenly salad, top ramen, etc.) This is for our cooking/measuring units so whatever you can supply is highly appreciated. Think items that start with letters A-Z for our Alphabet Units/review.
11. **\*NOTE:** If your child wears diapers/pull ups please send two months' worth, as well as wipes. These will be placed in the restroom for their use only. Also send additional clothing in case of accidents.

*I will send another supply letter home in the spring for additional snacks. Thank you for your participation in your child's learning. Also, donations of toys, clothes or art supplies are always welcome.*

~Ms. Nomi
