# Preparing College-Ready Writers

**Skills**

**Knowledge**

**Ability**

The focus for each of the days will be to collaborate and align the skills, knowledge and ability students need in writing to meet California ELA and ELD State standards and to make a successful transition from middle school to high school to higher education and to the world of work. Middle and high school teachers and college faculty will meet and discuss the topic of the day.

## Saturday, February 5, 2022

*What does college-ready writing mean? Aligning best practices among middle school, high school, and college.*

Together we will collaborate on and align the skills, knowledge and ability students need in writing to meet California ELA and ELD State standards to make a successful transition from high school to higher education and to the world of work. Middle and high school teachers and college faculty will discuss effective prompts and assignments.
