

# SAN DIEGO ENVIRONMENTAL EDUCATORS

"You don't need to be an artist or scientist to teach or use this tool, but by practicing on a regular basis, you can become both!"

~John Muir Laws

## Nature Journaling Club

Join a community of like-minded thinkers and outdoor enthusiasts to:

- Improve observational skills
- Learn nature journaling techniques
- Experience the wellness of being in nature
- Make nature journaling a routine practice for yourself and your students!
