

# RICK MILLER

## Creating and Activating Hope

Join us to understand what hope is, how it is created and how it can be harnessed and activated as a cognitive strategy to help navigate life's challenges and opportunities. We invite **educators** to tune in for this inspirational and interactive presentation!

**Professor of Practice and Clinical Director,  
Arizona State University & Kids at Hope**

**Thursday, September 30**

**4-5:30 PM/PST**
