

MT. JULIET CHRISTIAN ACADEMY

Mission Statement: As a ministry of First Baptist Church Mt. Juliet for over 40 years, our mission is to partner with families in developing students to think, lead, and live as Christians based upon a biblical worldview.

Job Description

JOB TITLE: High School Science Teacher and FFA Sponsor

REPORTS TO: Upper School Principal

Qualifications: MJCA is looking for a highly qualified individual to teach Biology and Ag Science and lead an award winning FFA Chapter. Applicants must have completed a Bachelor's Degree in Science. Masters Degree preferred. Applicants must be a devoted follower of Christ, have a passion for mentoring this generation for Christ with strong Biblical worldview integration and be equipped to teach within the academic discipline utilizing technology. The applicant must establish and maintain an environment in the classroom which promotes spiritual, academic, physical, and social growth and maturity. This is a full-time position. Salary will be commensurate with experience and education.

Duties: Must be a strong and positive advocate for the mission and vision of MJCA. The teacher will be required to plan course direction for the year, write lesson plans, update curriculum maps, and maintain accurate academic records. The teacher must be able to follow a budget and have exceptional record keeping skills. The teacher must be able to supervise a group of students outside on school grounds and keep a safe environment. Strong communication skills are a must. There may be possibilities for coaching duties. Must be willing to pursue ACSI Teaching Certification upon employment.
