Thank you for the opportunity to share Odyssey STEM Academy with you. In the coming days, there are two ways to keep connected. We are hosting a **morning school visit at Odyssey in partnership with Altitude Learning on Wednesday, October 30**. If you would like to join us, give me a call for more details. You can learn more about our approach to competency-based learning in high schools by joining a webcast on **November 18**. Find more information about the webinar at https://home.edweb.net/webinar/leadersplc20191118/

Here are links to the presentation resources.

Altitude Learning

Alumni are a huge untapped resource. Alumni Toolkit is easy to use and builds positive relationships with alumni, and these folks are good people looking to make a difference for our young people. They are now looking for 30 additional high schools to join the pilot program. In return, your schools receive free lifetime access to the platform.
