

# Meadowridge Reads

Optional Summer Reading Suggestions

## Our goal:

Our goal is to have every student engage in reading over the summer. We encourage each family to set their own reading goals for the summer that fits their schedule but allows for some reading each day.

## Why are these lists optional?

While these lists may be a helpful place to start, they may not adequately reflect every child's interest. We encourage each family to find the right fit for their children based on their interests.
