

**DRIVER REGISTRATION 2023-2024
TWIN VALLEY HIGH SCHOOL**

Driving and Parking Regulations

Students with good attendance history who wish to drive to school must apply and be granted a parking permit from the high school office. Applications can be submitted to the high school office. Permits may be picked up at the high school office starting Monday, August 14, 2023, 8 a.m.-3 p.m. Cost of the permit is a nonrefundable \$30.00.

****Students *MUST* bring the \$30.00 fee (if check, make payable to TVHS) to have a parking permit reserved. Drivers must show their driver's license, motor vehicle registration card, and proof of insurance to receive the permit. If students do not have their driver's license and plan on obtaining one during the year, the Driver Registration form can be completed with as much information as possible, and a Parking Pass will be reserved for the student. Parking tags are for the current school year only.**

Drivers must abide by the following regulations:

1. A parking permit, issued by TVHS, **must be displayed** on the vehicle's rear view mirror.
2. **Students should never park in visitor or staff marked parking spaces.**
3. **Open parking for student spaces will be on a first come, first serve basis each day.**
4. Students with a cut tag may only park in the Lower Lot adjacent to the tennis courts.
5. Students may not interfere with the arrival or departure of buses.
6. Upon arrival to school, students are to leave their motor vehicles and enter the building. Loitering in the parking lot either before or after school is not permitted.
7. All students driving vehicles on school property must observe the 10 MPH school speed limit, the traffic patterns established, and may not engage in reckless driving.
8. Students are not permitted to enter their vehicles or use their vehicles at any time during school hours without administrative permission.
9. Drivers who lose their licenses or whose vehicle is unavailable for more than 1 week must notify the High School office immediately. **Students are not permitted to give their parking passes to another student to use their space.** If this occurs the student will be in jeopardy of losing their parking privilege.
10. Students who are chronically tardy to school, leave school without permission, or abuse the driving/parking regulations will have their driving privileges removed in addition to disciplinary actions.
11. Drivers are encouraged to take the school bus if road conditions are hazardous. Early dismissal for drivers due to inclement weather will occur by **School Permission ONLY.**
12. School Policy prohibits students driving when Emergency Conditions exist. Under such circumstances, students may **NOT** access their vehicles to leave the school grounds unless released by school officials.
13. In the event of a state of emergency, students may only transport immediate family members off school grounds.

Student driving and parking is a privilege and that privilege can, and will be suspended for just cause. Failure to comply with the above list of regulations will result in the loss of driving/parking privileges, levying of fines, prosecution by school officials or the police, the vehicle being booted with a fine, or the vehicle being towed from TVHS premises at owner's expense. Twin Valley is not responsible for any damages caused during towing.

Special Note: All motor vehicles parked on school property are subject to search at any time by administration. There is no reasonable expectation of privacy regarding vehicles while parked on school property. The driver is responsible for the car, its contents, and its occupants.

Please read and sign on the reverse side of this Driver Registration Form to acknowledge that you have read the above regulations.

Waiver of Liability

I, _____, the parent/guardian of _____ (Child), a student in the Twin Valley School District give permission for my child to drive the motor vehicle described in this application. I understand that driving and parking motor vehicles on School District property is a privilege, not a right. In consideration of the privilege of allowing my child to drive and park on School District property, I waive on behalf of myself and my child, any claim against the School District for damages caused to my motor vehicle while on School District property. I further agree to hold harmless, indemnify and defend the School District, its offices, directors, agents, servants and employees, against any claims, costs, expenses, suits, or payments incurred, threatened or made against or by the School District for cost of such damages. In the event that any accidents occur from the use of this motor vehicle, I accept responsibility for the passengers.
