

## Conneaut School District Athletic Committee

February 3, 2020

The meeting of the Athletic Committee was called to order at 6:00 pm on February 3, 2020 as advertised in the CASH library. Present for the meeting were Directors Don Ellis, Kathy Klink and Dorothy Luckock; Superintendent Jarrin Sperry; Athletic Director John Acklin and CASH Principal Dave Maskrey. Also present were Assistant Athletic Director Jeff Hans as well as various coaches, parents and many senior members of the boys' Varsity basketball team.

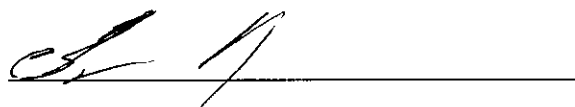

These topics were presented and discussed:

- The .500 rule guidelines for post-season play were closely reviewed. In particular was scenario #2 and #3 in regard to all teams in their classification. Currently the boys team is in a "mixed" region made up of both 3A and 4A teams. Conneaut is 7-11 overall, but in the middle of the 4A teams in this region. It was also noted that there were 3 games left to play and that the opt-out deadline is prior to the end of the season. Mention was made of better clarifying the situation of mixed regions going into the printing of the handbook for next year. The committee agreed to permit the team to advance into the play-offs as the wording could be read a couple of ways.
- Middle School Athletic proposal – This is to permit 5<sup>th</sup> & 6<sup>th</sup> grade boys and girls basketball and volleyball teams and coaches – to permit play with other schools, such as in a league. Costs were reviewed including a question in regards to if there would be costs for officials. The committee is recommending to the full board for consideration and approval.

The meeting was adjourned at 6:30 pm, and all thanked for attendance and input.
