AUDIT REPORT

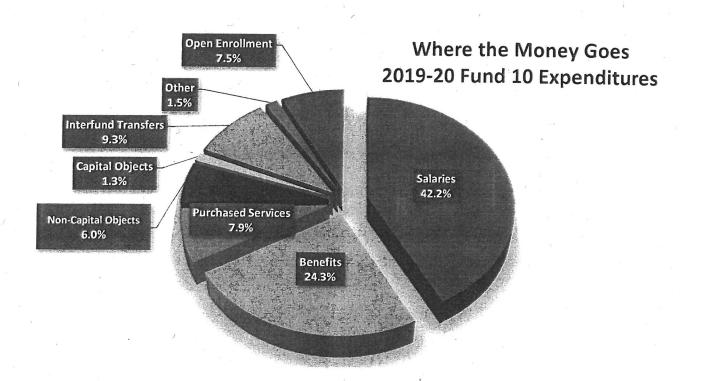

The financial accounts of the Chequamegon School District were examined by Wipfli LLP, Audit and Accounting Services.

David Schmidt Treasurer

2019-20 Budget Highlights

- On September 9, 2019, the District opened the Chequamegon Early Learning Center (CELC) to offer childcare services to our community. The revenues and expenses for the CELC will be recorded in Fund 80. It is anticipated that the CELC will be self-supporting no taxpayer funds will be used to subsidize it.
- The Park Falls Elementary reduced the number of classrooms in both the 4th grade and 5th grade from three sections to two. Those rooms were remodeled to more efficiently hold larger classes. This change will save the District over \$125,000 annually.
- ➤ In 2018-19, the District made significant changes to our printer usage. This September, we realized savings of over \$4,500 as a result of those changes. This year the District moved to centralized print stations, which should generate even greater savings.
- A new English/Language Arts curriculum has been purchased for grades K-5. This curriculum was successfully piloted by the 1st and 4th grades in the 2018-19 school year. It is anticipated that the curriculum will be expanded through grades 6-8 in the 2020-21 school year.
- Student accident insurance is no longer paid with District funds, saving \$28,000 per year.
- With community, parent, and staff involvement, the District is in the process of developing a new 3-year strategic plan. This will ensure that District resources will be used to effectively meet the goals established in this plan.
- > Supply budgets have been reduced by 10%.
- The District has upgraded its hot water heating system, providing more efficient and reliable hot water in both the elementary and high school. This project also updated the air conditioning unit for the computer server room, which houses the computer and phone infrastructure.

Fund 80 Budget Information

This fund was established to pay for activities that are available to the Chequamegon School District community members. The fund covers operational expenses for the pool and fitness center, such as supplies and staffing, when they are open to the public. It is also used to support middle school sports, which are available to all middle school aged residents whether or not they attend the Chequamegon School District.

New for 2019-20, the Chequamegon School District has opened the Chequamegon Early Learning Center (CELC), which will provide daycare services for children ages 2 months to 5 years. The revenues and expenditures for the CELC will be reported in Fund 80. It is expected that the CELC will be self-supporting. The tax levy for Fund 80 will be \$40,000; it has been at this level since the 2016-17 fiscal year.
