May 7, 2021

PRESS RELEASE

The Chequamegon School Board and the Chequamegon Leadership Team decided in a meeting on Tuesday, May 4, 2021 to continue with Mr. Weddig's mission and vision through the end of the school year with minimal disruption. The School Board is confident that with our exceptional staff, and the teamwork already established and enabled by Mr. Weddig, the District will continue to run smoothly while the Board establishes a plan-of-action and a timeline for the eventual replacement of our District Administrator.

The Board voted to appoint School Board President, Mr. Victor Ambrose, as the District Administrator Designee for the near future without compensation. Coordination has begun with CESA 12, the Department of Public Instruction, Wisconsin Association of School Boards and our legal counsel to ensure the steps taken are adequate and legally correct.

If you have any concerns or questions on school matters, please look to your teachers and principals for support.

Continue to SOAR!!
