

August 18, 2021

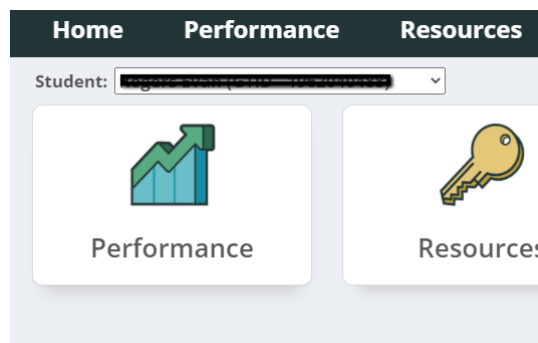

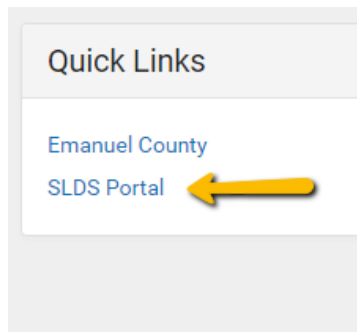

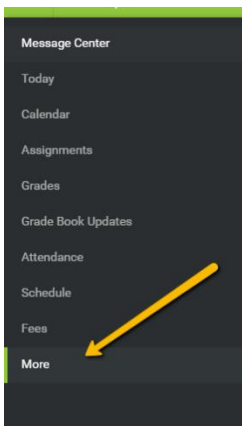

Dear Parents,

Last Spring, your child took the Georgia Milestones to measure how well he or she mastered the state standards and to determine their readiness for the next level of learning. Those scores have now been released.

You may access your child's scores through the Parent Portal, which is now open. To access these scores, log in to parent portal. This is best viewed on a computer, as the phone doesn't download the scores in a readable format. If you do not have access to parent portal, contact your child's school for instructions.

Once you have logged in, click the MORE option in the left-hand menu. Then you will have an option to choose SLDS Portal. Once you are in the portal, you can choose which child's scores you want to see (If you have more than one student in Emanuel County Schools) and you will want to click on the PERFORMANCE Option. This may take a few minutes.

Once the reports have populated, you should be able to download Individual Student Reports (ISR) for any recent state testing (end of grade and end of course). If you have any questions, you can contact your child's school test coordinator.

Georgia Milestones ISR			
Year	Administration	Assessment	
2020	Winter	EOC - Algebra I	
2020	Winter	EOC - Ninth Grade Literature and Composition	
2019	Spring	EOG	
2018	Spring	EOG
