

DV Backpack Food Program

Dear Parent / Guardian,

The ARK United Methodist Church runs the Dakota Valley Backpack Program. The backpack program provides food for students over the weekend when the school lunch program is unavailable. We realize that times are tight and sometimes a little extra food for the little ones can make a big difference. Currently the program will be serving the DV Elementary and upper elementary (PK-5). The backpack program is available to all families that feel they are in need at no cost to those participating.

By filling out the information and signing below you are giving Dakota Valley permission to give your child's name and family contact information to the program coordinator so your child will get food packs for the weekend. Food packs contain a variety of foods that can be prepared and eaten by children with minimal help required by adults.

The program is meant to be discreet, a school official will be putting some food items in the lockers on the last day of the week for the children to take home. If you're interested in participating in this program, please fill out the portion below and return to your child's teacher.

The DV Backpack program is sponsored by the ARK United Methodist Church and supported by generous donations from the Sioux City Lions Club as well as other private donors.

Child's Name: _____

Grade/Teacher: _____

_____ Yes, I would like my child to receive a food bag at the end of each week. I am giving Dakota Valley permission to release my child's name for this program.
