

Thank you for being a

RMHC Pop Tab

Partnership School!

Pop tabs are an easy way to help the Ronald McDonald House Charities of the Siouxland. The pop tabs are collected throughout the year, sorted, and sold for recycling. All money received from recycling helps to off-set the cost for families to stay at the Ronald McDonald House of Siouxland. We understand that medical treatment can be very expensive and therefore, no family is ever turned away for inability to pay.

Our Programs

Ronald McDonald House of Siouxland

Each year RMHC-Siouxland provides lodging, food, and support for over 100 families in our House while they seek medical care for their children.

Family Lunch Program

Lunches are delivered daily to all family members with a child at the local hospitals. Since March of 2018, we have delivered over 1,000 meals.

In-Hospital Family Kitchenettes

Kitchenettes located in each of the adolescent units at the hospital are stocked with snacks, baked goods, a selection of soda, water, milk, and juice.

Family Day Pass

All Siouxland families staying at the hospital with their hospitalized child is invited to take time to rest, shower, do laundry, or relax at our House. Many of these families are Sioux City families, but we know that even 20 minutes is often too far to be away from a sick little one.

When your bucket is full, feel free to empty into a paper box or plastic bag and then call Ronald McDonald House of Siouxland; 712-255-4084 to arrange for pick-up. You can also arrange for a House visit in which to drop-off your collection.

If you have any question feel free to call Heather at the above number or by email: heather@rmhc-siouxland.org.
