

# 😊 GRADE 2 SUPPLY LIST 😊

Dear Families,

We are looking forward to an AWESOME year in 2nd Grade with you and your child. Being prepared and having supplies is a great way to kick off a new school year!

To help you take advantage of all of those great summer sales on school supplies, we are providing you with a list of supplies your child will need to begin the school year. ***Due to space limitations in student desks and in our classrooms, please stick to the sizes recommended when purchasing supplies. Please do not send in extra supplies, markers, crayons or colored pencils.***

---

- ★ 2 pocket folders - please **no designs and no plastic** - ***one of each color: orange, yellow, green, and purple (papers slide out of the plastic folders) Please do not label the folders with student names. These can be purchased for 50 cents at Staples or Walmart.***
