Whereas, in order to control the pandemic and slow the rate of infection of students, staff, families and the community, the Governor of the State of Ohio, the Ohio Health Department, the Ohio Department of Education, the Centers for Disease Control and numerous other health authorities have issued Orders, recommendations and guidelines; and

Whereas, the Interim Director of the Ohio Department of Health (ODH) issued an Order on July 23, 2020 regarding facial coverings throughout the State of Ohio;

Whereas, the Director's Order provides that the requirement to wear a facial covering does not apply when schools offering kindergarten through grade twelve instruction (or some portion of it) comply with the guidelines set forth by the Ohio Department of Education and the Ohio Department of Health, and

Whereas, the Ohio Department of Education's (ODE) Reset and Restart Planning Guide and the join ODE/ODH COVID-19 Health and Prevention Guidance for Ohio K-12 Schools states that "School Staff Must Wear Masks" with certain exceptions;

Now Therefore Be It Resolved:

1. Due to the pandemic, until further notice, the Board, from an employer's perspective, has determined that it is an essential element of the job for its employees to wear masks in order to facilitate the re-opening of schools;
2. The Board, for its employees with a disability, will comply with the requirements of the Americans with Disabilities Act. The Board will engage in the interactive process to determine if a reasonable accommodation(s) exists that is not an undue burden on the employer.
