Instructions for Completing the Attestation And Agreement Amendment for a Food Service Management Contract

1. If a School Food Authority (SFA) would like to **amend the contract** with a Food Service Management Company (FSMC), **the SFA must first determine that a material change will not occur if the contract is amended (Page 3 of this document).**

a. **Attestation-No Material Change**-to assist in making the determination as to whether a material change has occurred, the Authorized Representative for the SFA reviews the dollar value of the initial contract and the estimated contract value for the coming school year. **If the estimated dollar value of the upcoming school year contract has a monetary increase equal to or greater than \$250,000 above the initial contract, a material change has occurred and the contract must be rebid.**

The Authorized Representative is to read each of the four (4) statements on the Attestation of No Material Change. If the SFA can answer yes to the statement, check the box to the left. The authorized representative **must attest to all four statements** before making the decision to amend the present FSMC contract. If the Authorized Representative is not able to attest to all four statements, a material change has occurred in its existing contract with the FSMC and the contract must be rebid.

b. **Contract Extension**-the authorized representative certifies that the Agreement Amendment is strictly an extension of the original contract, that all terms and conditions of the contract are in full force and that no other revisions have been made to the IFB/Contract.

c. **Meal Rates**-The SFA also must also attest that the increase in meal price has not exceeded the Consumer Price Index (CPI) for All Urban consumers for Food Away from Home as of January of the year the contract is being renewed.

d. The attestation must be signed by a duly authorized representative of the SFA operating the National School Lunch and/or School Breakfast Programs.

2. The **Agreement to Amend Contract** is on pages 6-11 of this document. The Authorized Representative completes all sections highlighted in yellow.

This includes:

- The name and address of the SFA.
- The name and address of the FSMC.
- The beginning and ending date of the contract. The ending date may not extend past June 30th of the coming school year

- The SFA must complete the section stating understanding that the nonprofit school food service program account cannot be used to pay for unallowable contract costs.
- The SFA must complete the school site section. This includes all school sites included in the original FSMC contract, as well as the school sites that will be included in the contract extension. All school sites included in the contract extension must be a school site included in the original FSMC contract.
- The FSMC completes the Buy American Certification Form and returns to the SFA.
- The Authorized Representative of the SFA and the Authorized Representative of the FSMC sign and date the agreement to amend.

3. Complete the Procurement Standards of Conduct Certification Statement and maintain on file at the SFA.
4. When all documents are completed, send the following to the LDOE:
 - a. Signed Agreement Amendment
 - b. Signed Attestation Statement

LOUISIANA DEPARTMENT OF EDUCATION ATTESTATION FOR Lycee Francais de la Nouvelle-Orleans (SFA)

Food Service Management Company (FSMC) Contracted Schools

FSMC Contract Amendment-No Material Change-I, [REDACTED] (Name of Authorized Rep.) as the duly authorized representative of Lycee Francais de la Nouvelle-Orleans (Name of SFA), do hereby attest that the aforementioned SFA operating the National School Lunch Program authorized under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) and/or the School Breakfast Program authorized under the Child Nutrition Act of 1966 (42 U.S.C. 1773) has reviewed its existing Food Service Management Contract for all changes resulting from complying with the required change to use food based menu planning as outlined in the Final Rule, *Nutrition Standards in the National School Lunch and School Breakfast Programs* (77 FR 4088), and considered all factors outlined by USDA's guidance titled "Procurement Questions and Answers to Assist in the Implementation of the final rule titled *Nutrition Standards in the National Lunch and School Breakfast Programs*" (SP 17-2012).

By checking **ALL** of the factors below, the aforementioned SFA has determined that NO MATERIAL CHANGE has occurred in its existing contract with the FSMC and the determination was made independently by the SFA, not the FSMC.

- ☒ Changes to the dollar value of the contract for the upcoming school year are not equal to or greater than \$250,000 above the initial contract
- ☒ Changes to the contract would not have caused bidders to bid differently if the prospective changes had existed at the time of bidding
- ☒ Prospective changes do not materially affect the scope of services, types of food/products, volume of food products, etc., in both the solicitation document and resulting contract (this includes adding programs ex: ASP, SFSP, CACFP)
- ☒ Documentation used to complete the aforementioned will be maintained for the duration of the contract with the existing FSMC

I certify that **no material change occurred** and this attestation is true and correct, and therefore I believe that Lycee Francais de la Nouvelle-Orleans (Name of SFA) is **not required to rebid** its FSMC contract with **Genuine Foods** (Name of the FSMC) for School Year 2022-23. This determination was made independently by the SFA, not the FSMC. In addition, I understand that a review of the SFA's food service procurement is a standard process of the State Agency's Administrative Review. Noncompliance with any federal or state regulation may result in adverse action including fiscal action. Payment to the SFA may be deemed unallowable as a result of any identified noncompliance with this attestation. All unallowable costs will need to be reimbursed to the food service account from nonfederal sources.

Under the provisions of USDA, Food and Nutrition Service, I certify as a sponsor in the Child Nutrition Program, the Agreement Amendment is strictly an extension of the signed Invitation for Bid and Contract. All terms and conditions of the contract shall remain in full force and effect. I understand that revisions cannot be made to the executed *Invitation for Bid and Contract*. Furthermore, I understand additional documents and/or agreements, including those developed by the contractor, cannot become a part of the executed contract.

Meal Rates: The SFA certifies that the increase in the fixed rate for meals has not exceeded the Consumer Price Index (CPI) for Food Away from Home. The specific CPI used will be the CPI for All Urban consumers as of January, 2022. The CPI for Food Away from Home as of January 31, 2022 is **6.4%**. Lycee Francais de la Nouvelle-Orleans (Name of SFA) also understands the nonprofit school food service program account cannot be used to pay for unallowable contract costs. As Authorized Representative for the School Food Authority noted below, I will ensure operation of the nonprofit school food service program, including use of nonprofit school food service program account funds, complies with the rules and regulations of the Louisiana Department of Education (LDOE) and the United States Department of Agriculture (USDA) regarding Child Nutrition programs.

I understand the *Invitation for Bid and Contract* and all related documents are subject to review by the LDOE and the United States Department of Agriculture at any time. I understand all contract information provided to the Louisiana Department of Education is being given in connection with the receipt of federal funds and deliberate misrepresentation may subject me to prosecution under applicable state and federal criminal statutes. Furthermore, I understand such misrepresentation could result in the loss of federal and state funding received by the School Food Authority for school-based Child Nutrition Programs.

I certify the above information provided to the state agency is true and correct. I further certify that I understand this document is a prototype and no changes have been made to any verbiage in this document. The SFA has only completed the highlighted section requiring SFA information.

THE SFA AND FSMC AGREE TO ABIDE BY THE PROVISIONS IN APPENDIX II OF PART 200—CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS

(A) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal

opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or sub recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part

1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. The District participates in the National School Lunch Program and School Breakfast Program and is required to use the nonprofit food service funds, to the maximum extent practical, to buy domestic commodities or products for Program meals. A “domestic commodity or product” is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR Part 210.21(d). Exceptions to the Buy American provision should be used as a last resort; however, an alternative or exception may be approved upon request. The SFA has researched all items the vendor is proposing to use that are non-domestic and determined that the product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality or that the cost of the U.S. product is significantly higher than the non-domestic product and is approving the use of the non-domestic product. The following website for the Agricultural Marketing Service can provide guidance to the SFA in determining if domestic products are available

Violations of law will be referred to the local, state, or Federal authority having proper jurisdiction.
