## Facilities

### Lower Campus

- No new updates

### Johnson Campus

- There are not any current condensation issues related to the HVAC system is not present. NOLA-PS has provided some documentation related to the HVAC project.
- Awaiting a clear timeline from NOLA-PS post Hurricane Ida insurance claim repairs(i. e. Ceiling tiles, roof repair, and fence) and Reimbursement process
- Walkthrough with Outreach Specialist for the City of New Orleans Capital Improvement Programs in reference to drainage in front of the campus. The roadwork and drainage system work falls under Holly Groove, Leonidas A and B project. The grading and sidewalk work are listed under Leonidas A and Leonidas B for all work relating to drainage structures and finalizing roadway restoration. Awaiting a timeline for Leonidas B project work.
- S&WB contractors performed work the week of November 8th to address the leaks, grading and sidewalk. Since then, there has not been any continuous water leaks due to work performed by S&WB.

### McNair Campus

- Awaiting a clear timeline from NOLA-PS post Hurricane Ida insurance claim repairs(i. e. Ceiling tiles, roof repair, and fence) and Reimbursement process
- The custodial and facilities teams are working to improve overall aesthetics and update/repair/replace outdated facilities materials, such as older ceiling tiles, light and plumbing fixtures, and older painted surfaces. This work should be completed by the end of January, 2022.

## Operations

### Transportation
