Facilities

Lower Campus

- Lower Campus will be ready to reopen with students on Monday, September 20th. Only minimum fence damage.

St Paul UCC Admin Offices

- St. Paul UCC Admin Offices experienced little to no damage from Ida, and is now fully functioning.

Johnson Campus

From NOLA-PS Operations

- Environmental clearance testing occurred, 9/13/2021.
- Results are expected three business days after testing (TBD).

- Once testing results are received and if confirmed clear for environmental issues, re-opening date can be communicated.

McNair Campus:

- Environmental clearance testing, scheduled for 9/17/2021.
- Results are expected three business days after testing (tentative 9/23).
- Once testing results are received (tentative 9/23), and if confirmed clear for environmental issues, re-opening date can be communicated.

Operations

Transportation

- During the week of 09/13/2021, Absolute Royal Transportation ran routes to assist in the distribution of student educational resource packets, as well as shelf stable food items, snacks, and water.
- Student transportation services will continue Monday, September 20th.
- Absolute Royal is currently operating five bus routes. The operations team is working closely with them to secure 2-3 more buses.

Meal Services

- Genuine Foods will be ready to resume meal service operations on Monday, September 20th.
- Preparations have been made to offer a grab’n’go meal service option should any campus offers virtual learning model.

Admissions & Enrollment

- Preparation for data imports to EdLink 360, LDOE’s new reporting system. This system will provide real time data visualization and will be the system for Oct. 1 MFP and other LDOE systems.
- Total Enrollment = 1110
