Pursuant to Charter Law RS17: 397, the Lycée Français de la Nouvelle-Orléans (LFNO) "School" hereby notifies the Louisiana Board of Elementary and Secondary Education that the School requests a material amendment to its charter by adding two new locations for the 21-22 school year. Orleans Parish School Board has agreed to lease Lycée the Ronald C. McNair building at 1607 South Carrollton Avenue as additional programming and swing space for the Lycée Middle School and temporary high school space. The term of the lease is two years.

Lycée is also developing the Alfred C. Priestley building at 1619 Leonidas Street for the permanent location of the Lycée High School. The Priestley building is currently under construction with an anticipated completion of late November 2021. Evidence of the renovation and expected completion date are attached in the form of the contract with DonahueFavret "the contractor"; the notice to proceed given to the contractor and the current project schedule.

In the event the material amendment is not approved for the McNair Campus, the students' current only option will be remote learning until the Priestley Campus is operational. If renovations are delayed and the Priestley facility is not ready for student occupancy January 2022, the plan is to continue to educate the high school students at the McNair building until the Priestley building is ready for occupancy, or remotely if the McNair Campus is not available.
