SECTION 12 - JURY AND WITNESS LEAVE

An employee will be granted paid leave for time spent responding to a summons for jury duty, time spent participating in the jury selection process, time spent actually serving on jury, or when subpoenaed to appear in court. An employee will not be terminated, disciplined, threatened or otherwise subjected to adverse action because of the employee's receipt of or response to a jury summons. The employee shall present documentation of his or her jury service to the building principal or an immediate supervisor. Appropriate documentation is more than just a summons to appear – it will include information from the court of the actual dates and times that an employee served.

If the subpoena is directly related to the employee's school duties, the employee will be released for court appearance without loss of leave.

Once an employee is dismissed from jury service, he/she is expected to return to work for any remaining portion of the workday.

Other court appearances due to personal situations will be deducted from the employee's personal business leave or vacation leave.

The employee shall make every effort to get leave that will not conflict with the school year.

Additional unpaid leave may be available for qualifying employees through the Family and Medical Leave Act (FMLA)

More information about FMLA leave can be obtained through Human Resources.

SECTION 16 – UNPAID LEAVE

The District recognizes that some employees do not receive paid leave as a part of their employment package. It is the goal of the District to work with all employees when time off is needed to attend to a personal matter or illness.

As a general rule, unpaid leave is approved through Human Resources. Employees are expected to use paid leave options when available to cover absences. Employees that are given paid leave options are expected to manage their time away from work so they have enough to cover their needs. If extenuating circumstances apply that exhaust all paid leave options, or if paid leave is not given to an employee, notify Human Resources as well as your supervisor for approval.

SECTION 17 - LEAVE OF ABSENCE

An employee with a minimum of five (5) full years of service desiring an unpaid leave of absence for a personal or family emergency shall make written application to the Assistant Superintendent of Human Resources thirty (30) calendar days, if possible, prior to the date the employee wishes the unpaid leave of absence to begin. Exceptions to this will be made only in certain emergency situations, to be determined by the Superintendent on an individual basis. Sick leave days may not be used during such an unpaid leave of absence.

SECTION 18 - VACATIONS

Vacation allowance for employees who work twelve (12) months and a minimum of 20 hours per week will be determined on full fiscal years (July 1-June 30) of service in the district by the following scale:

1 - 3	full fiscal years	= 10 days
4 - 7	full fiscal years	= 15 days
8 or more	full fiscal years	= 20 days

- A. Support staff employees work a variety of shifts and hours per day. A “day” is defined as the normal hours each day that an employee is scheduled to work.
- B. Vacation leave will accrue monthly, beginning with the 1st of the month after beginning employment in a position eligible for vacation leave.
- C. Vacation leave can be taken in 15-minute increments if no substitute is used to cover the employee’s absence. If a substitute is used, vacation is to be taken in half-day increments.
- D. Earned vacations may be scheduled at times mutually agreeable to the immediate supervisor and the affected employee.
- E. An employee may accrue up to 40 days of vacation leave. Any days past 40, as counted on June 30th, or the first workday thereafter, will be forfeited.

- F. Employees hired after July 1 and prior to June 30 will receive prorated vacation time for that portion of the first fiscal year they were employed.
- G. A full-time employee will be able to accrue 15 days beginning the first July 1 after their third full fiscal year of employment with the district and 20 days beginning on the first July 1 after their seventh full fiscal year of employment with the district.
- H. An employee who resigns or retires from the district with accrued vacation will be paid for 100% of the unused vacation at his/her current rate of pay, up to a maximum number of 40 days.

Any employee who is required to work on a Sunday that is not a holiday will be paid two (2) times the employee's rate of pay. The Energy Manager position will be excluded from this provision.

Custodial, Maintenance or Grounds employees:

If a Custodial, Maintenance or Grounds employee is called onsite to work outside of their regular work schedule due to emergencies or snow removal, a minimum of two hours' work will be given. The Energy Manager position will be excluded from this provision.

All support staff employees will follow the published work calendar and report to work as required by administration.

SECTION 21 – HOLIDAY PAY CONSIDERATIONS (NON-EXEMPT EMPLOYEES)

Holiday pay will be counted as hours worked when considering overtime pay for all employees.

An employee who is required to work on a district designated holiday will be paid a total of two (2) times the employee's regular rate of pay. The Energy Manager position will be excluded from this provision.

If a holiday falls on a Sunday and a Custodial, Maintenance or Grounds employee is scheduled to work, the employee will be paid a total of three (3) times the employee's regular rate of pay. The Energy Manager position will be excluded from this provision. Since the district recognizes the day after a Sunday holiday as a paid holiday, there are three dates in the year that may fall on a Sunday, and qualify for "Sunday holiday" pay if an employee is asked to work:

1. January 1
2. July 4
3. December 25

SECTION 22 - TRAVEL EXPENSES

Any support staff employee required to use their own automobile in the performance of their duties shall be reimbursed for all such travel at the I.R.S. rate per mile for all driving required in their duty days. (I.R.S. rate as of July 1 of the year in which the expenses are incurred.)

SECTION 26 - MEDICAL REQUIREMENTS

Employees may be required, due to statute or regulation, to obtain a physical, medical tests, or health screening. Employees may also be required to submit to drug or alcohol screening if concerns arise during the workday. When tests or screenings are required by the district, the cost will be reimbursed or paid by the district.

SECTION 27 – CERTIFICATIONS

Employees may be required, due to statute or regulation or district expectation, to maintain appropriate certification for their area of work. Such certifications are generally considered to be necessary qualifications for the position and are not reimbursable. Employees are required to produce documentation upon request of the district to show the appropriate certifications are in place.

SECTION 28 - NUTRITION SERVICES UNIFORM COMPENSATION

All permanent nutrition services employees will be reimbursed up to \$125.00 each school year for the purchase of uniforms as required in Nutrition Services Handbook. Reimbursement will be made once a year, in the Fall semester.

Each support staff employee who works thirty (30) hours or more per week will be provided the benefits of the district insurance program, subject to terms and conditions of the insurance carrier.

For support staff employees who are not scheduled to work during summer months (June, July or August) insurance premium deductions for summer benefits are included in the months of January through their last month of work for that school year. Should a benefit-eligible employee that works less than 12-months a year terminate, resign or retire during summer months, benefits will be effective through August 31. The maximum compensation will be one half of 150 days (or 75 days at 100% pay).
- B. If an employee is released from a position by the district for unsatisfactory performance, they are not entitled to this reimbursement.
- C. An employee who otherwise qualifies for a separation/retirement severance and dies while currently classified as an active employee will receive such severance.
- D. An employee who resigns or retires from the district with accrued vacation will be paid for 100% of the unused vacation at his/her current rate of pay, up to a maximum number of 40 days.

SECTION 31 - PARTICIPATION IN COMMITTEES

At least two (2) support staff employees shall be included in the District Policies Committee, the District Insurance Committee, and the District Calendar Committee.

SECTION 32 - PLACEMENT ON SALARY SCHEDULE

Park Hill has a salary schedule that is designed to be competitive for all support staff work groups. Employees hired to a position may be granted Park Hill experience only if market conditions indicate such an action is necessary. As a general rule, employees hired before March 1st will advance to the next step on the salary schedule on July 1st if the Board of Education approves step movement.

Current employees transferring to another position will retain steps on the salary schedule if the new position is closely related to the old position.

SECTION 33 – REDUCTION OF STAFF DUE TO FINANCIAL CONSIDERATION

When a decrease occurs in the number of positions in a school or program, the employee in that school or program with the least amount of district seniority, in the area of reduction, will be placed in another school or program where the same vacancy exists. If no vacancies exist in the district for the position being reduced, the employee will be given consideration for any other position for which they are qualified. The employee should notify the Assistant Superintendent of Human Resources of specific open positions for which they would like to apply.

Seniority for the purposes of this reduction shall be defined as continuous full-time, complete years of employment in the school district. Seniority date shall be the date of the initial letter of hire with the district. The following criteria will be used to determine merit and qualifications for the purpose of reduction in staff: evaluations will be given primary consideration, secondary consideration will be given to seniority, areas of special skills and training, and a balance of employee demographics related to minority status.

SECTION 34 – TRANSFER REQUEST FOR INTERNAL CANDIDATES

Employees who desire to transfer to another work site or shift may fill out an online application located on the Park Hill website. When internal candidates are interested in an open position, the direct supervisor shall interview a minimum of one internal candidate. Employees should monitor job vacancies on the Park Hill School District’s website located under Working in Park Hill.

SECTION 38 – ADDITIONAL CERTIFICATION FOR MAINTENANCE AND CUSTODIAL EMPLOYEES

If a representative is to be present at the conference, notice shall be given to the administrator reviewing the grievance at least two (2) business days in advance so that the administrator may also request another administrator to sit in on the conference, if he/she so desires. Following the conference, the administrator with whom the grievance is filed shall communicate his decision in writing within ten (10) business days to the grievant.

2. Level Two

- a. In the event the grievance is not satisfactorily resolved at Level One, the grievant may appeal to the superintendent. The Superintendent of Schools or his/her designee shall meet and confer with the grievant or grievant and representative on the grievance within five (5) business days of the grievance, with a view to making a conscientious effort to arrive at a mutually satisfactory resolution to the complaint. Both sides may be accompanied (or accompanied and represented) at his/her option by one other individual of their choosing. The Board will have until its next regularly scheduled meeting to render its decision. The decision then must be presented in writing to the grievant.
- e. In the event there is no hearing (because of No. 2 above) both sides shall present their arguments in writing. There shall be no additional information included in the written arguments which were not brought out during the proceedings of Level I and Level II. The Board will have thirty (30) business days after receiving the arguments to make its decision. Once the decision has been made, it must be given to the grievant in writing.

4. General Provisions

- a. No reprisals shall be taken by any party to this procedure against any party in interest, any witness and representatives, or any other participant in the grievance procedure by reason of such participation.
- b. After Level I, no new evidence shall be admitted. Also, the remedy sought shall not be changed after the grievance is filed.
- c. If the administrator does not render a decision in the time required, the grievant may appeal to the next level within five (5) business days. If the grievant fails to do so, the grievance is considered dismissed.
- d. Failure at any step of this procedure to appeal a grievance to the next level within the specified time limits shall be deemed as acceptance of the decision as rendered.

- f. The Board and the administration will cooperate with the grievant in its investigation of any grievance to the extent that it is reasonable to do so.

- h. It is agreed that any investigation or other handling or processing of any grievance by the grievant or his/her representative shall be conducted so as to result in no interference with or interruption of the instructional program.
