

IC Curriculum Development (See IDA)

IC

The certified staff shall cooperatively develop an integrated, comprehensive outcomes-oriented K-12 curriculum based on valid educational research and current State Board of Education requirements, and which includes goals and learning objectives for review and consideration by the board. When approved by the board of education the district goals and learning objectives shall be used by the staff as the basis for developing and implementing instructional programs. The superintendent shall develop a schedule for periodic curriculum review on a subject-by-subject basis.

Modification

All additions, deletions or major alterations of a course of study shall be approved by the board.

Personnel

Outside resource and district personnel may be used in curriculum development. (See BBG)

Financial Resources

The board encourages the superintendent to secure federal, state and private grants, or other alternative funding sources for use in curriculum development. The certified staff is encouraged to utilize available material and community resources to assist in developing the instructional curriculum and extend beyond the traditional classroom setting.
