

The board of education is committed to providing a positive and productive learning and working environment, free from discrimination, including harassment, on the basis of race, color or national origin. Discrimination or harassment on the basis of race, color or national origin (“racial harassment”) shall not be tolerated in the school district. Racial harassment of employees or students of the district by board members, administrators, certificated and support personnel, student, vendors, and any others having business or other contact with the school district is strictly prohibited.

Racial harassment is unlawful discrimination on the basis of race, color or national origin under Titles VI and VII of the Civil Rights Act of 1964, and the Kansas Acts Against Discrimination. All forms of racial harassment are prohibited at school, on school property, and at all school-sponsored activities, programs or events. Racial harassment against individuals associated with the school is prohibited, whether or not the harassment occurs on school grounds.

It shall be a violation of this policy for any student, employee or third party (visitor, vendor, etc.) to racially harass any student, employee or other individual associated with the school. It shall further be a violation for any employee to discourage a student from filing a complaint, or to fail to investigate or refer for investigation, any complaint lodged under the provisions of this policy.

Racial Harassment is racially motivated conduct which:

1. Affords a student different treatment, solely on the basis of race, color or national origin, in a manner which interferes with

- or limits the ability of the student to participate in or benefit from the services, activities or programs of the school;
2. Is sufficiently severe, pervasive or persistent so as to have the purpose or effect of creating a hostile academic environment; or
  3. Is sufficiently severe, pervasive or persistent so as to have the purpose or effect of interfering with a student's academic performance or ability to participate in or benefit from the services, activities or programs of the school.

Racial harassment may result from verbal or physical conduct or written graphic material.

The district encourages all victims of racial harassment and persons with knowledge of such harassment to report the harassment immediately. Complaints of racial harassment will be promptly investigated and resolved.

Employees or students who believe they have been subjected to racial harassment should discuss the problem with their immediate supervisor. If an employee's immediate supervisor is the alleged harasser, the employee or student should discuss the problem with the building principal or the district compliance coordinator.

Complaints received will be investigated to determine whether, under the totality of the circumstances, the alleged behavior constitutes racial harassment under the definition outlined above. Unacceptable student conduct may or may not constitute racial harassment, depending on the nature of the conduct and its severity, pervasiveness and persistence. Behaviors which are unacceptable but do not constitute harassment may provide grounds for discipline under the code of student conduct. The discipline of a student for violation of any provision of the code of student conduct may be enhanced if the conduct is racially motivated.

An employee who witnesses an act of racial harassment shall report the incident to the building principal. Employees who fail to report complaints or incidents of racial harassment to appropriate school officials may face disciplinary action. School administrators who fail to investigate and take appropriate corrective action in response to complaints of racial harassment may also face disciplinary action.

Initiation of a complaint of racial harassment in good faith will not adversely affect the status of a student, the job security or status of an employee nor will it affect his or her compensation. Any action of retaliation against any person who has filed a complaint or testified, assisted or participated in an investigation of a racial harassment complaint is prohibited. Any person who retaliates is subject to immediate disciplinary action, up to termination of employment.

To the extent possible confidentiality will be maintained throughout the investigation of a complaint. The desire for confidentiality must be balanced with the district's obligation to conduct a thorough investigation, to take appropriate corrective action or to provide due process to the accused.
