JGG

Bus transportation shall be provided to and from school for those students who qualify. Transportation may be provided by the district for all school activities. Transportation may be denied to students who are detained after school for disciplinary reasons.

All rules shall be published in the student handbook.

As a general policy, no chartered buses will be allowed for activities. However, upon request by a school principal, activity sponsor or coach, the Board may allow the charter of a bus for any trip if the following conditions are met:

1. All costs will be determined prior to contracting for chartered bus services and approved by the appropriate administration.
2. Requests must be submitted to the director of transportation six weeks prior to the date the charter bus is to be used.
3. There must be a minimum of 40 students from USD 250 to be transported.

JGG-R Transportation

JGG-R

Students who use school-provided transportation shall be under the jurisdiction of the vehicle driver while in the vehicle. Students shall be subject to the district's student behavior code and other regulations developed by the superintendent and approved by the board.

JGG-R Transportation

JGG-R-2

Bus drivers shall report violations of the rules to the building principal who may discipline students. The principal or transportation director may suspend or revoke the transportation privilege of a student who violates any rule or regulation.

When the district provides transportation to an activity, participating students are generally prohibited from driving personal automobiles to and from district-sponsored activities held during or after the school day. The principal and parent/guardian may agree that use of a private vehicle for students participating in an activity may be approved.
