## In-Person Trainings 2022 – 2023

This training will provide participants with a foundational understanding of conflict and the opportunity to develop effective strategies to intervene while also continuing to build trusting relationships.

In addition, this training will also provide participants with the foundational knowledge of how to develop & conduct a Restorative Conference for if/when a significant harm within your school community or organization occurs. Participants will learn how to coordinate the pre-conference work and assess for when it is appropriate to move forward with organizing a Restorative Conference.
