commitment primary focus of
commitment: transportation,
includes monthly activity

If you have any questions,
please contact the Intern Coordinators at
rsisinterns@gmail.com.

Becoming a Host or Aunt/Uncle (AU) family for an Intern is a wonderful experience for your entire family. As you help him/her adjust to our community, you will learn fascinating things about another culture and build lasting friendships.

Each year, our goal is to bring 10 Spanish speaking interns to RSIS. Each intern has a team of support from our RSIS community: 2 host families and 2 Aunt & Uncle

(AU) families. These families work together to provide friendship and support to an intern while gaining a cross-cultural experience like no other!

Our interns are young adults 20-29 years old and involved in their own activities (English classes, social outing with peers, school commitments) as well as learning about Minnesota and the United States from their family teams!
