**Air Force JROTC
Mission:
To develop citizens of
character, dedicated
to serving their nation
and community.**

Color Guard

Our ceremonial Color Guard teams present the Colors at many different events. These events consist of from school events such as football games, basketball games, various, community events like graduation & retirement ceremonies, Veterans & Memorial Day events. We've even performed at an NFL game.

Physical Fitness (PT) Team

The goal of the Sayreville AFJROTC PT team is to promote fitness and a healthy lifestyle by setting the example as leaders in Sayreville War Memorial High School through participation in PT competitions with other area high schools.

What's there to do in AFJROTC?

Cyber Patriot Team

Cyber Patriot puts teams of high school and middle school students in the position of newly hired IT professionals tasked with managing the network of a small company. In the rounds of competition, teams are given a set of virtual images that represent operating systems and are tasked with finding cyber-security vulnerabilities within the images and hardening the system while maintaining critical services in a six hour period. Teams compete for top placement within their state and region, and the top teams in the nation earn all-expense paid trips to Washington, DC for the National Final Competition where they can earn national recognition and scholarships.

Drill Team

The Drill Team gives Cadets structure and an opportunity to learn sound military bearing, perfect drill movements, and earn numerous awards, which may also include national and worldwide recognition.
