

## ATTENDANCE POLICY

Students are expected to attend all classes and complete all homework assignments in order to receive academic credit for the course. Only two absences are allowed in summer school. More than two absences will result in dismissal or denial of credit.

### LATENESS:

Students are required to arrive on time for all classes. A student who is 1-10 minutes late will count as one late. Two late arrivals equal one absence. However, a student who is over 10 minutes late will count as one absence.

## DISCIPLINE

Student regulations require serious study habits, proper conduct, appropriate dress and good citizenship. Students will adhere to Sayreville Board of Education rules and regulations pertaining to student discipline policies. Sayreville Board of Education reserves the right to dismiss any student, at any time, for academic or disciplinary reasons. Final grades WILL NOT be issued in the event of a dismissal for academic, attendance, or discipline infractions.

## GRADES

Final grades will be issued upon successful completion of the Summer School program.
