To: Norridge School District 80 Community,

The Norridge School District 80 Board of Education is pleased to announce the appointment of Michele Guzik as District Superintendent. The appointment was made by the Board at its June 21, 2022 Board meeting and will be effective July 1, 2022.

“I am grateful to the Board of Education for the opportunity to expand my role in District 80 to support all of our students and families. It has been an honor and privilege to serve the district as a teacher and leader throughout the years. District 80 is my home and I look forward to working with our teachers, staff, families and community members as we continue to develop and refine our educational programs and buildings for our students”, Guzik said.

Mrs. Guzik received Bachelor's degrees in Early Childhood and Elementary Education, Master's degrees in Special Education and Educational Leadership from DePaul University and an Educational Specialist degree with Superintendent Endorsement from Concordia University.
