P3 Yearly Preview:

There were several purchases this year that the P3 Board made from funds collected from monthly spirit nights at Shane's and Guthrie's, monthly jeans passes, monthly CFA Sandwich sales and box tops. Your participation and contribution to these events are greatly appreciated and we are able to bless the school because of your generosity.

We were able to host the staff luncheon during open house, provide the "coffee and Kleenex" for the first day of school; provide a water bottle filler for the learning lab and put water filters on all the water bottle stations; purchase counter top paper towel dispensers for all the elementary classrooms and cover the extra expenses for the Mother/Son event that were not covered by the admission tickets; purchase a book binding machine for the library in order to repair many damaged books; purchase 3 heavy duty electric hole punchers for the library, office and workroom and provide the decorations for the staff Christmas dessert reception; cover the additional expenses for the Father/Daughter dance that were not covered by the admission tickets; host the donuts with dad event; purchase a whisper sound booth for the multiplex and fund the teacher appreciation week. Whew, it's been a wonderfully busy year!

A lot of work goes into the planning and organizing of these events and we are so grateful to the board members, all the volunteers, the administration and YOU who make this all possible!
