

Depending on where the route begins, drivers will aim to collect your child and ensure that they are at school by 8.20am. The earliest bus leaves at 7.10am and arrives home by 6pm.

There is an express bus from Chester, Whitchurch, Shrewsbury and Newtown.

Please note that routes may vary over time as the population of the school changes. Destinations will be amended according to demand.

The Oswestry School Transport Service offers flexibility, allowing families to book regularly in advance or on an occasional basis. We aim to help reduce the stress of the school run by offering a service that accommodates the needs of our day pupils and their families.

There are 12 different routes across Shropshire, Powys and Wrexham which are assessed every academic year to ensure we cater to the needs of all pupils and their families.

We currently have a fleet of 14 minibuses, with experienced and qualified minibus drivers who provide a reliable and consistent service.

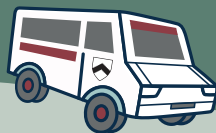

There are many social benefits in using this service; it enables pupils to meet others from their local area and across year groups. Many find that using our safe and reliable service instils greater confidence and independence.

Every year our transport service has an increase in demand and the school caters for as many pupils as possible.
