

INTERNATIONAL SCHOOL OF HAMBURG

Sports Team Coach (Freelance) 1.5 -15 hours per week

The Hamburg International School is looking for passionate coaches for its Athletics Program.

The Athletic program provides ISH student athletes (from 5 - 18 years of age) the opportunity to further develop their physical, social, emotional and intellectual potential in after school sports activities (between 15:00 - 18:00). ISH offers two different strands to its sports program, Competitive and skills development through various different sports such as Soccer, volleyball, basketball, tennis, swimming, track & field and Golf.

Sports are offered on a three season basis throughout the school year with practices one- two times a week and typically 90 minutes in length. Competitions take place on weekends as well as friendly games. Teams travel throughout the season to various locations primarily within Europe.

Your responsibilities

- Develop a sound instructional program in the skills and strategy of the sport and to ensure that this is shared and developed with other coaches in the same sport.
- Take direct responsibility for the management of all practices and competitions.
- leaving the site in such condition that it is ready for the next scheduled activity.
- Supervise the conduct of one's own team members, and that of the members of other ISH teams, during the whole period of any competition.
- Be aware and concerned about team members' academic progress and any other matter that might affect their athletic performance and general well-being.
- Develop team members' attitudes which foster personal growth, development of a strong moral character and ability to perform in a team environment.
- Become thoroughly familiar with the rules and regulations pertaining to the sport coached.
- Communicate and inform parents regarding training session details

What we offer

- An innovative working environment with a dynamic team
- An attractive seasonal fee
- Training in coaching quality sports programs
- Training in child protection and safety

What we expect

- A warm, engaging and authentic approach when working with children
- Dedication to child safety and protection
- Excellent spoken English
- Relevant educational qualifications & coaching certificates.
- A valid work permit for freelance work in Germany (if applicable)
- A police check (Erweitertes Führungszeugnis)
- Proof of sufficient vaccination protection against measles or existing immunity
- A positive and open mindset

Please email your introduction, along with a resume, to Tom Hobbins, Athletics Director at thobbins@ishamburg.org
