

# Welcome to Team 7S!

Hello and welcome to 7th grade on Team S! We are so happy you are on our team! We hope your summer has been wonderful and that you are looking forward to a great year!

**Supplies**- A list is attached if you want to get an early start on getting ready for school.

**Friends**- You may not be on the same team as your best friends. Don't worry! They will still be with you at lunch. Also, arts, world language, and reading classes are mixed team classes.

**Homeroom**- Please bring a book each day.

Important Info!

Mrs. Rapp is our Science teacher. You will learn all about life science from her. She has spent this summer reading in her large flower garden, spending time with friends in Cape Cod, and "bone hunting" in the Adirondacks!!

Mrs. Schlegel is our Math teacher. She is very passionate and will do whatever it takes to make sure her students reach their full potential. She is expecting a baby girl this Fall - congratulations!

Miss Minalga is our Language Arts teacher. She is always looking for engaging ways to teach reading and writing, so you will have a lot to look forward to each day! When she's not teaching, Miss M. enjoys reading books, writing stories and poems, and spending time with her two dogs, Lilly and Teddie.

Mr. Krushinski is our Social Studies teacher. You will have fun exploring history and culture from regions all over the world! In his free time, Mr. K loves hiking, and rooting for the Yankees.
