A critical function of the HGCS Boosters is to promote high principles of character and a Christ-like approach in all areas of student life. Through your membership and financial support, the 2022-2023 Booster Club will support Hickory Grove Christian staff/coaches and students in the areas of Academics, Arts, and Athletics. The needs of our school are many and varied, but working together—with parents, grandparents, alumni and sponsors—we can make a difference for our school and our students. Please pray for our school, our students, our staff, and the Booster Club— and how YOU can help!

Please consider how you can be involved! Mark the teams below that you can assist with:
