

Legacy Learning Center Recognition Criteria (Regulation)

School Board Report Item – June 27, 2022

Legacy Learning Center

In April 2021, the board approved the name **Legacy Learning Center** for the former Haslet Elementary building, now housing the DAEP program, R.I.S.E. program and professional development space.

Part of the background behind this name is that the facility can be used to **honor the legacy of our school district.**

Legacy Wall

One way to honor individuals who have left a mark on Northwest ISD is through the “**Legacy Wall**,” part of the facility at the building entry where plaques can be placed with the names of notable former educators, alumni or community members who have **left a positive, lasting mark on education or school activities in Northwest ISD.**

Alignment with Committee Preference

When determining the names of our most recent K-8 buildings, the naming committee decided to focus primarily on the first criterion for a K-8 school name:

*In memory of a **person who has served the District or community, especially in service to children**, and whose virtues or characteristics will serve as role models to students, staff and the community;*

We particularly focused on those whose contributions related to education, as we believed we should honor educators and individuals who have left a mark in Northwest ISD.

Reminder of Policy for K-8 School Names

Policy CW (Local)

1. In memory of a **person who has served the District or community, especially in service to children**, and whose virtues or characteristics will serve as role models to students, staff and the community;
2. In memory of any **person who has made a significant contribution to society and/or education**, whose name shall lend prestige or status to an institution of learning;
3. A **local residential or geographic area** (names in this category should be “neutral” if more than one community will be served by a particular facility); or
4. A District **property donor or his or her family members.**

Reminder of Policy for 9-12 School Names

Policy CW (Local)

1. In **memory of any person who has made a significant contribution to society and/or education** and his or her name shall lend prestige and status to an institution of learning;
2. Any **state or national heroic figure, landmark, and/or historical attributes**; or
3. A District **property donor or his or her family members.**

Regulation (CW)

For consideration of recognition on the Legacy Learning Center's Legacy Wall, nominated individuals are required to **meet all the following criteria**:

- Lived within Northwest ISD boundaries at some point during their lifetime;
- Affiliated with the district as a teacher, staff member, graduate or community member;
- Left a positive impact on students in Northwest ISD; and
- Aligned with the values set forth in Northwest ISD's mission, vision and beliefs.

Proposed Nomination Process

In accepting potential names for inclusion on the Legacy Wall, community, student and staff input or suggestions will be accepted to provide the board with viable names for considerations.

Nominations shall be **made in writing on a form provided by the district** within the designated time frames established by the district. Names that are submitted as a name nomination for a school building or facility **shall also receive consideration for the Legacy Wall so long as they meet the established criteria.** The district may open specific submissions for the Legacy Wall at its discretion.

Recommendation Process

A selection committee will review nominations to ensure they meet criteria. The board will see the recommendations, and all submitted nominations and provide final approval for individuals to be honored.

Alignment with Policy CW (Local)

1. A **selection committee** should review all nominations and ensure that the list of nominees meets established criteria.
2. The committee shall submit to the Board **one recommended name for each facility** to be named. A list of all submitted nominations will be provided to the Board.
3. The responsibility for the final decision in naming a new school or facility **rests with the Board**. The Board shall officially select a name at a regularly scheduled meeting.

Planned Dedication of Facility

In addition to the dedication of the Legacy Learning Center, the unveiling of the first class of honorees for the Legacy Learning Wall will also take place at a come-and-go reception for educators to tour the facility.

**6 p.m. Thursday,
September 8, 2022**
