Board of Education Approves New Principal at Winding Ridge Elementary

INDIANAPOLIS – This evening, the School Board of the Metropolitan School District of Lawrence Township approved the appointment of Ms. Rose Graham as the principal of Winding Ridge Elementary School. Ms. Graham brings 24 years of educational experience to this new role, having served as Assistant Principal at the school since 2018.

“Throughout my professional career, I have had the privilege of growing and learning from exceptional leaders. It is an honor to be selected to lead the students, staff, parents, and community of Winding Ridge Elementary School,” says Graham. “I am a true advocate for student success and am committed to doing whatever it takes to help all students achieve educational excellence.”

According to Superintendent, Dr. Shawn Smith, “Ms. Graham is not new to the Winding Ridge community, and I know that the community will be impressed with the knowledge and skills she brings to this new leadership role. I am confident that we have selected the best person to continue leading the school on the path of successful teaching and learning.”

Ms. Graham began her career in Lawrence Township in 2005 at Harrison Hill Elementary, where she taught grades four, five, and six. She transitioned to administration in 2013, serving as the Assistant Principal at Indian Creek Elementary, Harrison Hill Elementary, and most recently Winding Ridge Elementary. Graham earned a B.S. in Elementary Education from South Carolina State University in 1997. She completed her Master’s Degree in Business Management at Indiana Wesleyan University in 2022, later completing a principal preparation program in 2011 through the CIESC Prospective Principals Academy (PPA) Licensure Program at Indiana University Bloomington.

About the Metropolitan School District of Lawrence Township:

The ninth largest and fastest growing school district in the state, the MSD of Lawrence Township serves approximately 16,000 students across four Early Learning Centers, eleven Elementary Schools, two Middle Schools, two High Schools, a Center for Innovation and Technology, and an alternative setting high school. Lawrence Township strives to be the district of destination, a reputation built over the years based on the district’s award-winning staff, accomplished administrators, high-achieving students, supportive community, and innovative educational programs.
